

Dark Star Advances Acquisition of Bleasdell Uranium Project and Announces RSU Grant

08.05.2025 | [Newsfile](#)

Vancouver, May 8, 2025 - [Dark Star Minerals Inc.](#) (CSE: BATT) (FSE: POW) (the "Company" or "Dark Star") is pleased to announce that, further to its news releases dated April 1, 2025 and April 22, 2025, it continues to move forward with the acquisition of a 100% interest in the Bleasdell Lake uranium project (the "Bleasdell Project") consisting of over 515 ha in Northern Saskatchewan, Canada (the "Acquisition") from two arms length vendors (together, the "Vendors") in accordance with a mineral purchase agreement dated April 18, 2025 (the "Agreement"). Accordingly, the Company has made the second cash installment of \$75,000 CAD and issued 5,000,000 common shares (each, a "Share") of Dark Star at a deemed price of \$0.06 per Share to the Vendors.

Mr. Marc Branson, President, Chief Executive Officer and a Director of Dark Star states: "We are excited about the next phase of the Company as we build upon the historical resource at Bleasdell Project, and look to further explore our portfolio of assets."

For more information on the Acquisition and the Bleasdell Project, see the Company's news releases dated April 1, 2025, and April 22, 2025, filed under its profile on SEDAR+.

RSU Grant

Dark Star also announces the grant of 1,750,000 restricted share units (each, a "RSU") to a certain consultant of the Company. All RSUs vest 100% on the date this is four (4) months from the date of award. Upon vesting, each RSU represents the right to receive one common share in the capital of the Company in accordance with the Company's Omnibus Equity Incentive Plan.

The grant of the RSUs is subject to acceptance by the CSE.

About Dark Star Minerals Inc.
