

Fancamp Exploration Ltd. Announces Appointment of CIO

02.06.2025 | [GlobeNewswire](#)

[Fancamp Exploration Ltd.](#) ("Fancamp" or the "Corporation") (TSX Venture Exchange: FNC) is pleased to announce the appointment of Mr. Kit Spring to the position of Chief Investment Officer ("CIO") of the Corporation. With deep expertise in resource-focused capital allocation and project evaluation, Mr. Spring will advance the Corporation's investment strategy for growth and monetization of its asset base. With a focus on identifying high-potential assets, structuring strategic partnerships and optimizing returns from investments, the CIO will play a critical role in driving shareholder value for the Corporation.

Mr. Spring, CFA, is a seasoned executive and investor with extensive experience in the financial sector, specifically in the natural resource industry. He is Co-Founder, Managing Partner and Portfolio Manager at Bonanza Kings Capital, LLC, which manages an alternative investment fund. From 2019 to 2025, he worked at EMX Royalty, a mining royalty and prospect generator company. Prior, Mr. Spring spent over twenty years in institutional equity research including at Morgan Stanley, Stifel, Morningstar, and Neuberger & Berman.

Rajesh Sharma, President and CEO of Fancamp Exploration Ltd. comments, *"We are delighted to welcome Kit as Chief Investment Officer of Fancamp as he brings a rare combination of capital markets and financial expertise with hands-on experience in the resource sector. Kit's background in institutional equity research, mining royalties and alternative investments aligns perfectly with Fancamp's vision of unlocking value from its portfolio of assets."*

About Fancamp Exploration Ltd. (TSX-V: FNC)

Fancamp is a Canadian mineral exploration company focused on creating value through medium term growth and monetization opportunities with strategic interests in high potential mineral projects, a royalty portfolio, and exploration properties. The Company is focused on an advanced asset play poised for growth and selective monetization with a portfolio of mineral claims across Ontario, Québec and New Brunswick, Canada; including copper, gold, zinc, titanium, chromium, strategic rare-earth metals and others. The Company has future monetization opportunities from its Koper Lake transaction in the highly sought-after Ring of Fire in Northern Ontario. Fancamp holds 96% interests in Magpie Mines Inc., which owns the Magpie property, one of the world's largest undeveloped hard rock titanium (+V) deposits, *per USGS data*. Fancamp has investments in an existing iron ore operation in the Quebec-Labrador Trough, a rare earth elements company, NeoTerrex Minerals Inc., a copper-gold exploration company, Platinex Inc., an opportunity to develop an emerging gold-copper exploration play with [Lode Gold Resources Inc.](#) in addition to an investment in a near term cash flow generating zinc mine, [EDM Resources Inc.](#) in Nova Scotia. Fancamp is developing an energy reduction and titanium waste recycling technology with its advanced titanium extraction strategy. The Company is managed by a focused leadership team with decades of mining, exploration and complementary technology experience.
