

Magma Silver Corp. Announces Trading on OTCQB

16.06.2025 | [Newsfile](#)

[Magma Silver Corp.](#) (TSXV: MGMA) (FSE: BC21) (WKN: A411DV) (the "Company" or "Magma") is pleased to announce that its common shares will commence trading on the OTCQB Venture Market in the United States under the symbol "MAGMF" effective Monday June 16, 2025.

"Admission to the OTCQB market is in line with Magma's strategy to access international institutional and retail investors," said Stephen Barley, Chairman and CEO of Magma. "This will provide us with a trading platform that can significantly enhance liquidity for our shareholders and extend investor awareness of Magma internationally."

To be eligible to trade on the OTCQB Venture Market, companies must be current in their financial reporting, pass a minimum bid price test, and undergo an annual company verification and management certification process. The OTCQB Venture quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

Magma will continue to trade on the TSX Venture Exchange under its existing symbol "MGMA" and the Frankfurt Stock Exchange under the symbol "BC21" under WKN "A411ED".

About Magma Silver Corp.

Magma Silver Corp. is a natural resource company with a focus on the acquisition, exploration, development, and operation of precious metal mining exploration projects. The Company's primary focus is on exploring and developing the advanced Niñobamba silver gold project in the mining supportive country of Peru.

Reader Advisory

This news release may contain forward-looking information within the meaning of applicable securities laws. All information and statements other than statements of current or historical facts contained in this news release are forward-looking information. Forward-looking statements are subject to various risks and uncertainties concerning the specific factors disclosed here and elsewhere in Magma's periodic filings with Canadian securities regulators. When used in this news release, words such as "will", "could", "plan", "estimate", "expect", "intend", "may", "potential", "should," and similar expressions, are forward-looking statements. The information provided in this document is necessarily summarized and may not contain all available material information. Forward-looking statements include those in relation to (i) the expected timing of the OTCQB listing and (ii) the expected increased market liquidity and investor awareness due to the OTCQB listing. Although the Company believes the expectations reflected in such forward-looking statements are based on reasonable assumptions, it can't make any assurances that its expectations will be achieved. Such assumptions may prove incorrect. Although the Company has attempted to identify important factors that could cause actual results, performance, or achievements to differ materially from those contained in the forward-looking statements, there can be other factors that cause results, performance, or achievements not to be as anticipated, estimated, or intended. There can be no assurance that such information will prove to be accurate or that management's expectations or estimates of future developments, circumstances, or results will materialize. As a result of these risks and uncertainties, no

assurance can be given that any events anticipated by the forward-looking information in this news release will transpire or occur, or, if any of them do so, what benefits that the Company will derive therefrom. Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release are made as of the date of this news release, and the Company disclaims any intention or obligation to update or revise such information, except as required by applicable law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
