Golden Crest Drilling

[Solitario Resources Corp.](#) ("Solitario") (NYSE American:XPL)(TSX:SLR) announces that it has commenced drilling at its Golden Crest Project in South Dakota. Current plans call for up to 8,000 meters of drilling in the Golden Crest and Ponderosa areas of the Project for 2025. Drilling will test new surface gold anomalies and follow-up on previous mineralized areas from last year's drilling campaign.

Chris Herald, President and CEO of Solitario, commented "We are pleased with the initiation of drilling at Golden Crest and the potential to build on the exploration success we have previously reported at our Golden Crest project in South Dakota. We look forward to reporting the results of this year's campaign in the coming months.
