

Aventis Energy Inc. Announces Flow-Through Financing

20.06.2025 | [GlobeNewswire](#)

VANCOUVER, June 20, 2025 - [Aventis Energy Inc.](#) ("Aventis" or the "Company") (CSE: AVE | FRA: C00 | OTC: VBAMF), is pleased to announce a non-brokered private placement (the "Offering") for gross proceeds of up to C\$350,000.40 from the sale of up to 1,166,668 flow-through units of the Company (each, a "FT Unit") at a price of C\$0.30 per FT Unit. The Company intends to use the proceeds from the Offering towards exploration on the Company's project portfolio.

Each FT Unit will consist of one (1) common share of the Company (each, a "Common Share") to be issued as a "flow-through share" within the meaning of the *Income Tax Act* (Canada) (each, a "FT Share") and one half (1/2) of one (1) Common Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant will entitle the holder thereof to purchase one Common Share at a price of C\$0.40 for a period of 24 months from the date of issuance.

The Company may pay finder's fees to third parties sourced by finders. The FT Units will be offered by way of the "accredited investor" and "minimum amount investment" exemptions under National Instrument 45-106 - *Prospectus Exemptions* in all the provinces of Canada. The securities issuable pursuant to the sale of the FT Units will be subject to a statutory hold period in Canada ending on the date that is four months plus one day following the closing date of the Offering.

The gross proceeds from the sale of the FT Shares will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through mining expenditures" as such terms are defined in the *Income Tax Act* (Canada) (the "Qualifying Expenditures") related to the Company's projects in Canada. All Qualifying Expenditures will be renounced in favour of the subscribers of the FT Shares effective December 31, 2025.

The Offering is subject to certain conditions including, but not limited to, receipt of all necessary approvals including the approval of the Canadian Securities Exchange.

Marketing Extension

The Company is also pleased to announce, further to its news release on May 16, 2025, that it has increased the advertising budget under its engagement of marketing services with RMK Marketing Inc. ("RMK") (address: 41 Lana Terrace, Mississauga, Ont., Canada, L5A 3B2; e-mail: Roberto@rmkmarketing.ca). RMK was retained by the Company on May 16, 2025 to provide marketing services for a term of six (6) months, commencing May 21, 2025, with an option to increase the advertising budget up to \$500,000 CDN during the term (the "Agreement"). Pursuant to the terms of the Agreement, the Company has decided to execute its option to increase the advertising budget for the existing term to \$500,000 CDN by compensating RMK an additional \$250,000 CDN.

RMK is an independent company which will, as appropriate, co-ordinate marketing actions, maintain and optimize AdWords campaigns, adapt AdWords bidding strategies, optimize AdWords ads, provide project management and consulting for an online marketing campaign and create and optimize landing pages (the "Services"). The promotional activity will occur by Google. The Company will not issue any securities to RMK as compensation for the Services. As of the date hereof, to the Company's knowledge, RMK (including its directors and officers) does not own any securities of the Company and has an arm's-length relationship with the Company.

About Aventis Energy Inc.

Aventis Energy Inc. (CSE: AVE |OTC: VBAMF) is a mineral exploration company dedicated to the development of strategic projects comprised of battery, base and precious metals in stable jurisdictions. The Company is working to advance its Corvo Uranium & Sting Copper Project.

The Sting Copper Project covers approximately 12,700 hectares and hosts multiple historic Newfoundland and Labrador Government documented mineral occurrences and is located within a 50 km corridor known for significant volcanogenic massive sulfide (VMS), copper quartz vein lode and low sulphation epithermal gold showings.

Disclaimer for Forward-Looking Information

Certain statements in this news release are forward-looking statements, including with respect to future plans, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to, business, economic and capital market conditions, the ability to manage operating expenses, and dependence on key personnel. Forward looking statements in this news release include, but are not limited to, statements respecting: the provision of the Services by RMK under the Agreement; statements with respect to the Offering; the Company's objectives, goals or future plans; the commencement of drilling or exploration programs in the future; the completion of the Offering. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, anticipated costs, and the ability to achieve goals. Factors that could cause the actual results to differ materially from those in forward-looking statements include, the continued availability of capital and financing, litigation, failure of counterparties to perform their contractual obligations, loss of key employees and consultants, and general economic, market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information.

The Canadian Securities Exchange (CSE) does not accept responsibility for the adequacy or accuracy of this release.
