

Canadian Gold Corp. Lifting of Evacuation Order in Flin Flon, Manitoba

25.06.2025 | [Newsfile](#)

[Canadian Gold Corp.](#) (TSXV: CGC) ("Canadian Gold" or the "Company") is pleased to share that the evacuation order affecting the Town of Flin Flon has been lifted, and it is therefore expected that critical services and other businesses will resume activities.

Canadian Gold had temporarily paused drilling operations at its Tartan Mine Property near Flin Flon during the evacuation. Access to backcountry areas, including the Tartan Mine, remain restricted until further notice due to the close proximity to active forest fires. Once access is restored and the field crews have been able to return to the site, the Company will provide an update on surface infrastructure at Tartan.

"Our thoughts remain with those who were impacted, and we thank all the firefighters, EMS workers, RCMP, and emergency response teams who helped to protect the community and made this safe return possible." - Michael Swistun, CFA, President & CEO
