

# Copper Road announces the appointment of a new CEO

07.07.2025 | [GlobeNewswire](#)

TORONTO, July 07, 2025 - [Copper Road Resources Inc.](#) (TSX-V: CRD) ("Copper Road" or the "Company") announces the appointment of Mr. Brian Howlett as President and CEO, effectively immediately. Brian brings many years of experience in the junior exploration business previously serving in management or on the board of 9 junior mining companies, including previous experience with Copper Road.

Mr. Brian Howlett commented, "Copper Road is seeking to generate renewed interest in the Company in the coming months with the acquisition of a new project or business. The Company also plans to relaunch a website shortly. We look forward to updating shareholders as warranted."

The Company would also like to congratulate [Sterling Metals Corp.](#) ("Sterling") on their recent drill results reported on May 29, 2025 and June 26, 2025 at the newly named Soo Copper Project. Copper Road remains a significant shareholder of Sterling with approximately 7% of the shares outstanding.

## Caution Regarding Forward-Looking Information

This news release contains forward-looking information that involves substantial known and unknown risks and uncertainties, most of which are beyond the control of Copper Road. Forward-looking statements include estimates and statements that describe Copper Road Resource's future plans, objectives or goals, including words to the effect that Copper Road Resources or its management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to Copper Road Resources, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the Company's objectives, goals or future plans, statements, details of the exploration results, potential mineralization, Copper Road Resource's treasury, management team and enhanced capital markets profile, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to, failure or inability to complete the Offering on disclosed terms or at all, regulatory approval processes, failure to identify mineral resources, delays in obtaining or failures to obtain required governmental, regulatory, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate First Nations and other indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, and those risks set out in the Company's public documents filed on SEDAR. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. Copper Road Resources disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law. Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this news release.
