07.07.2025 | [ACCESS Newswire](#)

VANCOUVER, July 7, 2025 - [Supreme Critical Metals Inc.](#) (CSE:CRIT)(FWB:VR61)(OTCID:VRCFF) ("Supreme" or the "Company") today announces that it has amended the terms of its arms-length option with Yellow Chief Uranium Inc. dated June 26, 2024. The parties agreed that all cash and work obligations payments would be deleted from the option, with the Company only needing to issue another 8 million shares in order to obtain a 100% interest in the Yellow Chief properties. The Company plans to issue 4,000,000 shares immediately with the final 4,000,000 shares due in one year.

The Yellow Chief properties consist of 5 claims covering 3,513.2 ha in Saskatchewan and 28 claims covering 130.1 ha in Utah. The Utah property consists of a portion of the former Yellow Chief Mine, which was developed from 1959 to 1962 as an open pit mine.

Supreme also announced it has relinquished its interest in the Saguenay Nickel Project, found in the province of Quebec. The decision follows a thorough strategic review and aligns with the Company's long-term objectives to focus on assets with a clear and sustainable path to production.
