

# Neotech Metals Corp Engages Munich MiningPartners GmbH

10.07.2025 | [Newsfile](#)

Vancouver, July 10, 2025 - [Neotech Metals Corp.](#) (CSE: NTMC) (OTCQB: NTMFF) (FSE: V690) ("Neotech" or "the Company") is pleased to announce that it has engaged Munich MiningPartners GmbH ("MMP") to provide marketing and investor relations services in Europe.

MMP, based in Frankfurt, Germany, will work to increase investor awareness of Neotech in Europe. Under the terms of these agreements, MMP and NTMC will provide a combination of: content creation, web development, digital marketing mainly via google ads and similar platforms, publication services, media buying and distribution. Services under the agreement will be performed by Peter Krah based in Hauptstrasse 82, Floh-Seligenthal, Germany and reachable at pk@mmp-mining.de and +49 176 99096054. The engagement, which begins July 10, 2025, is on a month-to-month basis set at \$28,500 per month. All fees and expenses will be paid from working capital. MMP is at arm's length from the Company and does not have any interest, directly or indirectly, in the Company or its securities, or any right or intent to acquire such an interest. Marketing efforts are to commence immediately. The engagement with MMP and NTMC is subject to the company's filing requirements with the CSE.

## ON BEHALF OF THE BOARD

Reagan Glazier, Chief Executive Officer, and Director  
Neotech Metals Corp.

## About the Neotech Metals

Neotech Metals is a mineral exploration company dedicated to discovering and developing mineral resources within promising jurisdictions around the world. With a strong commitment to environmental stewardship and sustainable practices, Neotech is positioned to make a positive impact while maximizing the potential of its exploration properties.

The company has a diversified portfolio of rare earth element and rare metals projects, including the apatite-hosted rare earth project, Hecla-Kilmer, located 20 kilometres from the Otter Rapids 180-megawatt hydroelectric power generation station and active Ontario Northway railway, along with its TREO and Foothills projects located in British Columbia. All three projects are 100 per cent wholly owned.

Certain of the statements and information in this press release constitute "forward-looking information". Any statements or information that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects", "anticipates", "believes", "plans", "estimates", "intends", "targets", "goals", "forecasts", "objectives", "potential" or variations thereof or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative of any of these terms and similar expressions) are not statements of historical fact and may be considered forward-looking information. The Company's forward-looking information is based on the assumptions, beliefs, expectations and opinions of management as of the date of this press release and include but are not limited to information with respect to achieving a construction decision, and the timing and results thereof. Other than as required by applicable securities laws, the Company does not assume any obligation to update forward-looking information if circumstances or management's assumptions, beliefs, expectations

or opinions should change, or changes in any other events affecting such statements or information. For the reasons set forth above, investors should not place undue reliance on forward-looking information.

The CSE has not reviewed, approved, or disapproved the contents of this press release.
