Vancouver, July 15, 2025 - [Avanti Gold Corp.](#) (CSE: AGC) (the "Company") is pleased to announce that, further to its news release dated July 7, 2025, it has closed the first tranche of a non-brokered private placement (the "Offering") for gross proceeds of \$882,002, representing a portion of the total \$1,400,000 Offering. The Company issued 25,200,073 units (the "Units") at a price of \$0.035 per Unit.

Each Unit consists of one common share of the Company (a "Common Share") and one common share purchase warrant (a "Warrant"). Each Warrant entitles the holder to acquire one Common Share at an exercise price of \$0.05 for a period of 12 months following the closing date. No finder's fees were paid in connection with the first tranche.

The Common Shares and Warrants issued pursuant to the Offering are subject to a statutory hold period in accordance with applicable Canadian securities laws, expiring on November 15, 2025, and are also considered "restricted securities" under Rule 144(a)(3) of the United States Securities Act of 1933, as amended (the "U.S. Securities Act").

Officers and directors of the Company participated in the Offering, acquiring an aggregate of 1,628,572 Units. Their participation constitutes a "related party transaction" under Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Company is relying on exemptions from the formal valuation and minority shareholder approval requirements under sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the aggregate value of the Insiders' participation does not exceed 25% of the Company's market capitalization.

The net proceeds from the Offering will be used to pay annual license fees related to the Company's Misisi Gold Project in the Democratic Republic of Congo and for general working capital purposes.

The Company expects to close the remaining \$518,000 of the Offering in the coming days. Upon completion, Martino De Ciccio, the lead investor in the Offering, will hold 9.9% of the Company on a partially diluted basis. In addition, Chairman Sir Sam Jonah, CEO Ian MacLean, and other board members and management will collectively own approximately 19% of the Company on a partially diluted basis following the full closing. As Insiders, their participation is also considered a "related party transaction" but is exempt from the valuation and minority approval requirements under MI 61-101, as neither the value of the Units issued to Insiders nor the consideration paid exceeds 25% of the Company's market capitalization.
