

Sranan Gold Announces Investor Webinar on Exploration Activities at the Tapanahony Project in Suriname

15.07.2025 | [Newsfile](#)

Edmonton, July 15, 2025 - [Sranan Gold Corp.](#) (CSE: SRAN) (FSE: P84) (Tradegate: P84) ("Sranan" or the "Company") invites investors to attend the Company's upcoming live webinar presentation and audience Q&A.

CEO Oscar Louzada will provide an overview of the Company's 29,000-hectare Tapanahony Project in Suriname, where historical drilling and artisanal mining underscore the project's resource potential, and a sufficiently funded drilling campaign is set to commence imminently.

The webinar will be a live, interactive online event where attendees can ask the presenter questions. A recording will be available for those who cannot join the live event.

Event: Presentation and Q&A with Sranan Gold Corp. hosted by Radius Research
Presentation Date & Time: Thursday, July 17, 2025 at 12:00PM Eastern Time / 9:00AM Pacific Time
Webcast Registration Link:
https://us02web.zoom.us/webinar/register/5217520835419/WN_k-jVtrbsRY2cRugxL6RHSg

This webinar is hosted by Radius Research, part of Market Radius Capital, Inc. and hosted by Martin Gagel, a former top-ranked sell-side technology and special situations analyst.

About Sranan Gold

Sranan Gold Corp. is engaged in the business of mineral exploration and the acquisition of mineral property assets in Suriname. The highly prospective Tapanahony Project is located in the heart of Suriname's modern-day gold rush. Tapanahony covers 29,000 hectares in one of the oldest and largest small-scale mining areas in Suriname. There is significant production from saprolite by local miners along a 4.5-kilometre trend, where several areas of mining have been opened.

Sranan Gold is also exploring its Aida Property consisting of five mineral claims covering an area of 2,335.42 hectares on the Shuswap Highland within the Kamloops Mining Division. For more information, visit sranangold.com.

Forward-looking statements

Certain statements in this release constitute "forward-looking statements" or "forward-looking information" within the meaning of applicable securities laws including, without limitation, the timing, nature, scope and details regarding the Company's exploration plans and results at its projects. Such statements and information involve known and unknown risks, uncertainties and other factors that may cause the actual

results, performance or achievements of the Company, its projects, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. Such statements can be identified by the use of words such as "may", "would", "could", "will", "intend", "expect", "believe", "plan", "anticipate", "estimate", "scheduled", "forecast", "predict" and other similar terminology, or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. These statements reflect the company's current expectations regarding future events, performance and results and speak only as of the date of this release. Further details about the risks applicable to the Company are contained in the Company's public filings available on SEDAR+ (www.sedarplus.ca), under the Company's profile.

Forward-looking statements and information contained herein are based on certain factors and assumptions regarding, among other things, the estimation of mineral resources and reserves, the realization of resource and reserve estimates, metal prices, taxation, the estimation, timing and amount of future exploration and development, capital and operating costs, the availability of financing, the receipt of regulatory approvals, environmental risks, title disputes and other matters. While the Company considers its assumptions to be reasonable as of the date hereof, forward-looking statements and information are not guarantees of future performance and readers should not place undue importance on such statements as actual events and results may differ materially from those described herein. The Company does not undertake to update any forward-looking statements or information except as may be required by applicable securities laws.
