16.07.2025 | [CNW](#)

VANCOUVER, July 16, 2025 - [Etruscus Resources Corp.](#) (CSE: ETR) (OTC: ETRUF) (FSE: ERR) (the "Company" or "Etruscus") announces, subject to Canadian Securities Exchange ("CSE") approval, that it plans to raise up to \$400,000 through a non-brokered private placement (the "Financing"), as the second and final tranche of its \$1.25 million financing announced on February 25, 2025 and which closed the first tranche of \$817,250 on March 24, 2025. Refer to news releases of those two days.

The Financing consists of a combination of flow-through and non flow-through units. Up to 4.0 million non-flow-through units at \$0.10 per unit, or up to 3.33 million flow-through units at \$0.12 per flow-through unit may be issued, or any combination thereof totalling up to \$400,000. In the first tranche, the Company issued 2,432,500 non-flow-through units for proceeds of \$243,250 and 4,783,333 flow-through units for proceeds of \$574,000.

Proceeds from the flow-through unit subscriptions of both tranches will be used on qualifying expenditures for the Phase 1 drill program at the Zappa porphyry target, located on the Company's Rock & Roll Property in the prolific Golden Triangle in northwest B.C. (See News Release dated July 10, 2025). Proceeds from the non-flow-through unit subscriptions will be used for exploration at Rock & Roll and for general corporate purposes.

Each flow-through unit consists of one flow-through common share and one-half (1/2) of one non-flow-through, non-transferable share purchase warrant with each whole warrant exercisable into one additional common share at a price of \$0.18 per share for a 2-year period.

Each non-flow-through unit consists of one common share and one-half (1/2) of a non-transferable share purchase warrant with each whole warrant exercisable into one additional common share at a price of \$0.15 per share for a 2-year period.

All shares issued under the private placement will be subject to a hold period of four months and one day from the date of issuance. Finders' fees may be paid in accordance with securities regulations.

The flow-through shares will qualify as "flow-through shares" for the purposes of the Income Tax Act (Canada) (the "Act"). The proceeds of the flow-through private placement will be used to incur "Canadian exploration expense" (within the meaning of the Act). The Company will renounce these expenses to the purchasers with an effective date of no later than December 31, 2025, and as required under the Act, and, if applicable, as required under Provisional legislation.
