Going forward, the Corporation will publish its sales figures as part of its quarterly financial results disclosure only.

About Dynacor

Dynacor Group is an industrial ore processing company dedicated to producing gold sourced from artisanal miners. Since its establishment in 1996, Dynacor has pioneered a responsible mineral supply chain with stringent traceability and audit standards for the fast-growing artisanal mining industry. By focusing on fully and part-formalized miners, the Canadian company offers a win-win approach for governments and miners globally. Dynacor operates the Veta Dorada plant and owns a gold exploration property in Peru. The Corporation plans to expand to West Africa and within Latin America.

The premium paid by luxury jewellers for Dynacor's PX Impact® gold goes to Fidamar Foundation, an NGO that mainly invests in health and education projects for artisanal mining communities in Peru. Visit www.dynacor.com for more information.
