## *Forward Looking Information*

*Certain information regarding Orca set forth in this news release, including but not limited to Orca's ability to continue regular distributions to shareholders constitutes "forward-looking information" within the meaning of applicable Canadian securities laws. The words "may", "will", "would", "should", "could", "expects", "plans", "intends", "trends", "indications", "anticipates", "believes", "estimates", "predicts", "likely" or "potential" or the negative or other variations of these words or other comparable words or phrases, are intended to identify forward-looking information. Forward-looking information, by its very nature, involves inherent risks and uncertainties and is based on several assumptions, both general and specific. Orca cautions that its assumptions may not materialize and that current economic conditions render such assumptions, although believed reasonable at the time they were made, subject to greater uncertainty. Such forward-looking information is not a guarantee of future performance and involves known and unknown risks, uncertainties and other factors which may cause the actual results or performance of Orca to be materially different from the outlook or any future results or performance implied by such information.*

*The forward-looking information contained in this new release is provided as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, unless so required by applicable Canadian securities laws.*
