22.07.2025 | [Newsfile](#)

Vancouver, July 22, 2025 - 1546139 B.C. Ltd. ("FinanceCo") and Selkirk First Nation are pleased to announce the appointment of Mr. M. Colin Joudrie as President & CEO of the Company and Josh Kierce, CPA as CFO, effective on August 1, 2025, as well as a \$1.5 million Private Placement to Mr. Joudrie priced at \$0.28 per share.

Mr. Joudrie stated, "I am excited to join with the Selkirk First Nation and the Fiore Group to advance this important copper-gold-silver critical mineral resource to a redevelopment decision in a timely, prudent, and environmentally responsible manner. The former Minto Mine was an important copper, gold and silver producer in the Yukon for approximately 15 years. With focused and deliberate study work, significant investment in drilling, combined with the positive outlook and elevated prices for copper, gold, and silver, it is reasonable to expect that Minto can once again be an important critical mineral producer."

Selkirk First Nation Chief Sharon Nelson said, "We welcome Mr. Joudrie in joining with the Selkirk First Nation and its partner Fiore Group in the ongoing review, assessment, and advancement of the former Minto mine as a potential future copper, gold, and silver critical mineral concentrate producer that will be guided by best-in-class environmental stewardship and operating practices."

Ryan Weymark, P.Eng, Venerable Ventures Advisor said, "We are pleased to have attracted Mr. Joudrie as our new CEO, a highly qualified and accomplished mining executive previously with Teck, a Tier 1 copper producer with extensive experience working with First Nations, communities, regulators, partners, and key stakeholders, to continue our work in reviewing, assessing, and identifying a prudent and value additive restart of production from the former Minto Mine. In addition, I am excited to work with Mr. Joudrie to continue the important work we have started with the Selkirk First Nation on this unique opportunity. His commitment to this opportunity is demonstrated by his personal investment of \$1.5 million. Additionally, welcoming Josh Kierce as our CFO, an Indigenous CPA with strong Investment Banking and Public Company experience."

Rob McLeod, Venerable Ventures Advisor said, "Creating value from this opportunity started with leadership shown by the Selkirk First Nation and the Fiore Group. I am excited to see the momentum our team has created over the past two years continue under Mr. Joudrie's leadership. Mr. Joudrie has a passion for the industry and working with diverse teams that started with his early career in exploration and resource development followed by more recent work in advancing several significant base metal and precious projects from early-stage studies through to feasibility. I look forward to working with Mr. Joudrie to leverage experiences and insights of the Selkirk First Nation along with an extensive property-wide data base and operating history to put the Minto mine on a path to responsible restart decision."
