[Baselode Energy Corp.](#) (TSXV: FIND) (OTCQB: BSENF) ("Baselode" or the "Company") is pleased to announce that it has entered into an agreement with Red Cloud Securities Inc. (the "Agent") to act as sole agent and bookrunner in connection with a "best efforts" private placement (the "Offering") for the sale of up to 35,714,286 flow-through units of the Company to be sold to charitable purchasers (each, a "FT Unit") at a price of C\$0.14 per FT Unit (the "Offering Price") for gross proceeds of up to C\$5,000,000.

Each FT Unit will consist of one common share of the Company to be issued as a "flow-through share" (each, a "FT Share") within the meaning of subsection 66(15) of the Income Tax Act (Canada) (the "Income Tax Act") and one-half of one common share purchase warrant (each whole warrant, a "Warrant"). Each Warrant shall entitle the holder to purchase one common share of the Company (each, a "Warrant Share") at a price of C\$0.14 at any time on or before that date which is 36 months after the Closing Date (as herein defined).

The Agent will have an option, exercisable in full or in part, up to 48 hours prior to the closing of the Offering, to sell up to an additional 7,142,857 FT Units at the Offering Price for additional gross proceeds of up to C\$1,000,000 (the "Agent's Option").

The Company intends to use the proceeds raised from the Offering for exploration of the Company's projects in the Thelon and Athabasca Basins, as is more fully described in the Offering Document (as defined herein). Proceeds from the sale of FT Shares will be used to incur "Canadian exploration expenses" as defined in subsection 66.1(6) of the Income Tax Act and "flow through mining expenditures" incurred pursuant to an exploration plan that primarily targets "critical minerals," each as defined in subsection 127(9) of the Income Tax Act. Such proceeds will be renounced to the subscribers with an effective date not later than December 31, 2025, in the aggregate amount of not less than the total amount of gross proceeds raised from the issue of FT Shares.

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 - Prospectus Exemptions ("NI 45-106"), the FT Units issuable under the Offering will be offered for sale to purchasers resident in the provinces of British Columbia, Alberta, Manitoba, Saskatchewan and Ontario (and, with the consent of the Company, in Québec) pursuant to the listed issuer financing exemption under Part 5A of NI 45-106, as amended by Coordinated Blanket Order 45-935 - Exemptions from Certain Conditions of the Listed Issuer Financing Exemption. The FT Shares and the Warrant Shares underlying the FT Units are expected to be immediately freely tradeable in accordance with applicable Canadian securities legislation if sold to purchasers resident in Canada.

There is an offering document (the "Offering Document") related to the Offering that can be accessed under the Company's profile at www.sedarplus.ca and on the Company's website at: www.baselode.com. Prospective investors should read this Offering Document before making an investment decision.

The Offering is scheduled to close on or about August 15, 2025 or such other date as the Company and the Agent may agree (the "Closing Date"). Completion of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange (the "TSXV").
