01.08.2025 | [ACCESS Newswire](#)

LONDON, August 1, 2025 - [Orosur Mining Inc.](#) ("Orosur" or the "Company") (TSXV:OMI)(AIM:OMI), has been notified that Newmont Mining Corporation, who held a stake of approximately 9.4% in the Company, has sold this holding to several institutional long-term investors, at a price of C\$0.19 per common share of Orosur. The sale of the stake is in keeping with Newmont's program of non-core divestments.

In its release of yesterday to the Toronto Stock Exchange, after market close, announcing the sale, Newmont also stated that "Newmont may, depending on price, market conditions or other conditions or factors it considers relevant from time to time, increase its beneficial ownership, control or direction over Common Shares or other securities of Orosur through market transactions, private agreements or otherwise".

Orosur Executive Chairman Louis Castro commented:

"Whilst we are sad to see Newmont go, we understand that the sale of the stake is part of Newmont's strategy of non-core disposals. Newmont has been a loyal and supportive partner to Orosur. We part on good terms and we welcome a number of strong and knowledgeable long-term investors as we push further into an exciting growth phase for the Company. Their investment is testament to the potential of the projects we are developing"
