

# Vista Gold to Participate in Australia's Diggers & Dealers Mining Forum 2025

01.08.2025 | [Business Wire](#)

[Vista Gold Corp.](#) (NYSE American and TSX: VGZ) today announced that it will be participating in the upcoming Diggers & Dealers Mining Forum taking place August 4-6, 2025, in Kalgoorlie, Western Australia.

Diggers & Dealers 2025 is Australia's leading mining forum, with more than 2,700 attendees and over 150 exhibitors. The forum is a key event for mining leaders, developers, explorers, brokers, bankers, investors, financiers and mining service industries from around the world.

Vista's President and CEO, Fred Earnest, along with Chief Financial Officer, Doug Tobler and General Manager Australia, Brent Murdoch will be meeting with industry peers and representatives from the Australian financial community. Our leadership team will also be available to discuss details about the recently announced results of the new Mt Todd feasibility study and the new direction in our development strategy that positions Mt Todd for near term development.

About Vista Gold Corp.

Vista holds the Mt Todd gold project, a leading development-stage gold deposit located in the Tier-1 mining jurisdiction of Northern Territory, Australia. The project offers significant scale, development optionality, growth opportunities, advanced local infrastructure, community support, and demonstrated economic feasibility.

For further information about Vista or Mt Todd, please contact Pamela Solly, Vice President of Investor Relations, at (720) 981-1185 or visit the Company's website at [www.vistagold.com](http://www.vistagold.com).

Forward Looking Statements

This news release contains forward-looking statements within the meaning of the U.S. Securities Act of 1933, as amended, and U.S. Securities Exchange Act of 1934, as amended, and forward-looking information within the meaning of Canadian securities laws. All statements, other than statements of historical facts, included in this news release that address activities, events or developments that we expect or anticipate will or may occur in the future, including such things as the Company will be participating in the upcoming Diggers & Dealers Mining Forum 2025 taking place August 4-6, 2025 in Kalgoorlie, Western Australia; the Company's President and CEO, Chief Financial Officer, and General Manager Australia will be meeting with industry peers and representatives from the Australian financial community; the Company's leadership team will also be available to discuss details about the recently announced results of the new Mt Todd feasibility study and the direction of the Company's development strategy that positions Mt Todd for near term development; the Company's belief that Northern Territory, Australia is a Tier-1 jurisdiction; the Company's belief that Mt Todd offers significant scale, development optionality, growth opportunities, advanced local infrastructure, community support, and demonstrated economic feasibility; and statements related to the Company's strategy are forward-looking statements and forward-looking information. The material factors and assumptions used to develop the forward-looking statements and forward-looking information contained in this news release include the following: the Company's forecasts and expected cash flows; the Company's projected capital and operating costs; the Company's expectations regarding mining and metallurgical recoveries; mine life and production rates; that laws or regulations impacting mine development or mining activities will remain consistent; the Company's approved business plans, mineral resource and reserve estimates and results of preliminary economic assessments; preliminary feasibility studies and feasibility studies on the Company's projects, if any; the Company's experience with regulators; political and social support of the mining industry in Australia; the Company's experience and knowledge of the Australian mining industry and the Company's expectations of economic conditions and the price of gold. When used in this news release, the words "optimistic," "potential," "indicate," "expect," "intend," "hopes," "believe," "may,"

"will," "if," "anticipate" and similar expressions are intended to identify forward-looking statements and forward-looking information. These statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such statements. Such factors include, among others, uncertainty of resource and reserve estimates, uncertainty as to the Company's future operating costs and ability to raise capital; risks relating to cost increases for capital and operating costs; risks of shortages and fluctuating costs of equipment or supplies; risks relating to fluctuations in the price of gold; the inherently hazardous nature of mining-related activities; potential effects on the Company's operations of environmental regulations in the countries in which it operates; risks due to legal proceedings; risks relating to political and economic instability in certain countries in which it operates; uncertainty as to the results of bulk metallurgical test work; and uncertainty as to completion of critical milestones for Mt Todd; as well as those factors discussed under the headings "Note Regarding Forward-Looking Statements" and "Risk Factors" in the Company's latest Quarterly Report on Form 10-Q as filed in May 2025, and other documents filed with the U.S. Securities and Exchange Commission and Canadian securities regulatory authorities. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those described in forward-looking statements and forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. Except as required by law, the Company assumes no obligation to publicly update any forward-looking statements or forward-looking information whether as a result of new information, future events or otherwise.
