VANCOUVER, Aug. 06, 2025 - [Forte Minerals Corp.](#) ("Forte" or the "Company") (CSE: CUAU) (OTCQB: FOMNF) (Frankfurt: 2OA), is pleased to announce the expansion of its capital markets capabilities with three strategic initiatives:

- The engagement of Mills Dunlop Capital Partners as M&A and strategic advisors;
- The appointment of Port Guichon Strategic Advisory, as Investor Relations and Capital Markets Specialist;
- And the launch of a new AI-powered investor platform via Versance.ai.

These additions support Forte's commitment to investor engagement, capital markets excellence, and digital transparency.

Strategic Advisory from Proven Mining Dealmakers

Forte has retained Mills Dunlop Capital Partners (MDCP), an independent M&A and strategic advisory firm led by Russell Mills and Brodie Dunlop, to provide strategic and advisory guidance. With deep experience in structuring complex mining transactions, MDCP brings a proven record of execution and capital markets insight.

MDCP offers:

1. Execution expertise: Multiple M&A and strategic transactions across the mining sector over several decades.
2. Sector specialization: Their independent model allows for conflict-free, tailored guidance.
3. Comprehensive support: Forte will benefit from assistance in deal evaluation, due diligence, regulatory documentation, and strategic corporate negotiations.

"Russell and Brodie bring a rare combination of mining knowledge, transactional experience, and corporate connectivity," said Patrick Elliott, President & CEO. "Their advisory will be critical as we evaluate strategic opportunities and position Forte for long-term success."

Port Guichon Strategic Advisory Appointed as Investor Relations & Capital Markets Specialist

Forte Minerals Corp. is pleased to welcome Kevin Guichon, Principal of Port Guichon Strategic Advisory, to lead its Investor Relations and Capital Markets strategy. Kevin brings over a decade of experience in the Canadian securities industry, including his tenure at Haywood Securities Inc., where he progressed from operations to trading and advisory services.

He will oversee investor outreach and guide capital markets strategies, working closely with Anna Dalaire, VP of Corporate Development, to expand Forte's corporate messaging, strengthen relationships with existing shareholders, and build new connections across the investment community.

As part of his engagement, Kevin will be compensated at C\$4,000 per month and has been granted 200,000 stock options, exercisable at C\$0.80 per share for five (5) years, under the Company's incentive stock option plan, subject to regulatory approval.

"Kevin understands both the language of capital markets and the needs of investors," said Elliott. "His ability to simplify complex opportunities and build trusted relationships will elevate our investor communications."
