

New Stratus Energy Inc. Engages ICP Securities Inc. for Automated Market Making Services

12.08.2025 | [Newsfile](#)

[New Stratus Energy Inc.](#) (TSXV: NSE) ("New Stratus" or the "Company") is pleased to announce that it has engaged the services of ICP Securities Inc. ("ICP") to provide automated market making services (the "Services"), including use of its proprietary algorithm, ICP Premium™, subject to and in compliance with the policies and guidelines of the TSX Venture Exchange and other applicable legislation.

Pursuant to the market making agreement dated August 6, 2025 (the "Agreement") entered into between the Company and ICP, in exchange for providing the Services, ICP will be paid a monthly fee of C\$7,500, plus applicable taxes. The Agreement is for an initial four (4) month term (the "Initial Term") and shall be automatically renewed for subsequent one (1) month terms (each month called an "Additional Term") unless either party provides at least thirty (30) days written notice prior to the end of the Initial Term or an Additional Term, as applicable.

ICP does not have any interest, directly or indirectly, in New Stratus or its securities or any right or intent to acquire such an interest at this time; however, ICP and its clients may acquire an interest in the securities of the Company in the future. There are no performance factors contained in the agreement and no stock options or other compensation are being granted in connection with the market-making engagement.

ICP is an arm's length party to the Company. ICP's market making activity will be primarily to correct temporary imbalances in the supply and demand of the Company's shares. ICP will be responsible for the costs it incurs in buying and selling the Company's shares, and no third party will be providing funds or securities for the market making activities.

ABOUT ICP SECURITIES INC.

ICP Securities Inc. is a Toronto based CIRO dealer-member that specializes in automated market making and liquidity provision, as well as having a proprietary market making algorithm, ICP Premium™, that enhances liquidity and quote health. Established in 2023, with a focus on market structure, execution, and trading, ICP has leveraged its own proprietary technology to deliver high quality liquidity provision and execution services to a broad array of public issuers and institutional investors.

Forward-Looking Information

Certain information set forth in this news release constitutes "forward-looking statements", and "forward-looking information" under applicable securities legislation (collectively, "forward-looking statements"). All statements other than statements of historical fact are forward-looking statements. Forward-looking statements may be identified by the use of conditional or future tenses or by the use of words such as "will", "expects", "intends", "may", "should", "estimates", "anticipates", "believes", "projects", "plans", and similar expressions, including variations thereof and negative forms. Forward-looking statements are based upon the opinions, expectations and estimates of management of the &lr;Company as at the date the statements are made and are subject to a &lr;variety of known and unknown risks and uncertainties and other factors that could cause actual events or outcomes to differ materially from those anticipated or implied by such forward-looking statements. In light of the risks &lr;and uncertainties associated with forward-looking statements, readers are cautioned not to place &lr;undue reliance upon forward-looking information. Although the &lr;Company believes that the &lr;expectations &lr;reflected in the forward-looking statements set out in this news release, it can give no &lr;assurance that such expectations will prove to have been correct. The forward-looking statements of &lr;the &lr;Company contained in this &lr;news release are expressly qualified, in their entirety, by this &lr;cautionary statement.
