

Sm Energy Publishes Updated Sustainability Disclosures

14.08.2025 | [PR Newswire](#)

DENVER, Aug. 14, 2025 /PRNewswire/ -- [SM Energy Company](#) (the "Company") (NYSE: SM) today announced the publication of its updated sustainability disclosures, all of which are available on the Company's website at www.sm-energy.com/sustainability.

Chief Executive Officer Herb Vogel comments: "SM Energy is recognized as a leader in sustainability and stewardship among our peers. As a premier operator of top-tier assets, we prioritize safety, technical innovation and environmental stewardship. We invest in our people because leadership development and a strong culture of integrity and collaboration are key to our success. Our recent expansion into the Uinta Basin adds significant scale and long-term, high-quality inventory, and we are committed to applying our operational excellence as we optimize these assets. We invite you to read our latest sustainability disclosures, which reflect the high standards we set for ourselves and for our industry."

Updated publications include:

- Letter from our CEO to Stakeholders;
- Performance Highlights and Quick Reference Metrics, which reports 2024 data;
- 2025 Task Force on Climate-Related Financial Disclosures, which reports 2024 data; and
- 2025 Sustainability Accounting Standards Board Disclosures, which reports 2024 data.

Highlights include:⁽¹⁾

- Achieved Texas flaring and methane intensity targets, with a 74% reduction in flaring percentage and a 61% improvement in methane intensity since the base year 2019. Remain on track to meet the Company's Texas GHG emissions reduction target of 50% by 2030.
- Advanced emissions reduction through strategic piloting and deployment of cutting-edge technologies-including methane detection systems, dynamic gas blending and electrified fleets in completion operations, and converting completion devices to solar power.
- Demonstrated significant progress in water stewardship by increasing produced water recycling to 40%-a 25% improvement on a relative basis over the previous year.
- Launched New Safety Initiatives and Leadership Training-strengthening the Company's Safety-First Culture and training all employees and contractors.
- Honored with two distinguished Leadership Development awards from the Brandon Hall Group-recognizing the Company's innovation in building competencies and skills, and a Bronze Award for overall leadership development excellence.
- Welcomed two new board members, each bringing distinct and valuable expertise-including in Technology and Artificial Intelligence-which enhances the board's collective capabilities and helps us stay at the forefront of the advancing energy landscape.
