14.08.2025 | [The Newswire](#)

[Blackbird Critical Metals Corp.](#) (CSE: BBRD) (FSE: N79) (OTCQB: BBCMF) (the "Company") announces that it has entered into a definitive share purchase agreement, dated August 13, 2025 (the "Purchase Agreement") with Lir Life Sciences Inc. ("Lir Life Sciences"), a party at arm's length to the Company, pursuant to which it has agreed to acquire 100% of the issued and outstanding common shares (each, a "Lir Share") in the capital of Lir Life Sciences (the "Acquisition") in consideration for the issuance of at least 21,807,143 common shares in the capital of the Company (each, a "Blackbird Share"), on a post-Consolidation (as defined below) basis, to the Lir Life Sciences shareholders (collectively, "Lir Shareholders"), as of the date of closing of the Acquisition, on a pro-rata basis (the "Consideration Shares"), subject to the terms and conditions set out within the Purchase Agreement.

The Acquisition represents a "Fundamental Change" of the Company under the Canadian Securities Exchange's ("CSE") Policy 8 - Fundamental Changes and Changes of Business ("Policy 8"). Completion of the Acquisition ("Closing") will require approval from the CSE, as well as the approval shareholders of the Company (the "Blackbird Shareholders"), as discussed further below.

Summary of the Acquisition

Pursuant to the Purchase Agreement, the Company will purchase all of the issued and outstanding Lir Shares at a deemed price of \$0.35 per Lir Share, on the basis of a 1:1 share exchange whereby each one Lir Share is exchanged for one Consideration Share, including any such Lir Shares to be issued in connection with the Concurrent Financing (as defined below).

Following Closing, the Company intends to continue the business of Lir Life Science as a company listed on the CSE under the name "Lir Life Sciences Corp." (the "Name Change") or such other name as agreed to by the parties (the Company, upon completion of the Acquisition, being the "Resulting Issuer").

In addition, prior to Closing, it is expected that:

- Lir Life Sciences will complete a private placement offering of subscription receipts for minimum aggregate gross proceeds of at least \$1,000,000 (subject to certain adjustments where Lir Life Sciences incurs bona fide operating expenses greater than \$100,000 prior to Closing) at a price of \$0.35 per subscription receipt (the Concurrent Financing), with each subscription receipt to automatically convert into one Lir Share immediately prior to Closing. It is anticipated that Lir Life Sciences may pay cash finders' fees in the amount of 8% of the gross proceeds received from, and such number of finders' warrants as is equal to 8% of the number of subscription receipts issued to, subscribers introduced to Lir Life Sciences by such finders.
- The Company will, immediately prior to Closing, effect a consolidation of the Blackbird Shares on a 1.5:1 basis (the Consolidation), whereby each Blackbird Shareholder will receive one post-Consolidation Blackbird Share for every one-and-one-half Blackbird Share held immediately prior to the Consolidation.

Certain common shares of the Resulting Issuer (the "Resulting Issuer Shares") to be issued pursuant to the Acquisition are expected to be subject to contractual restrictions on resale or to be subject to escrow under the policies of the CSE, including any such securities to be issued to "Related Persons" (as defined under the CSE policies).

In addition to all statutory resale restrictions and those that may be imposed by the CSE, certain Lir Shareholders receiving Consideration Shares on Closing (the "Pooled Securities") are expected, as a condition to Closing, to enter into a pooling agreement (the "Pooling Agreement") with Blackbird whereby they will agree not sell, deal in, assign, transfer, dispose of, or encumber, the Pooled Securities, except as in accordance with the terms of the Pooling Agreement. The Pooled Securities will be released in 20 equal tranches over a 20-month period, with the initial release to occur four months after the date on which the Resulting Issuer Shares are listed for trading on a stock exchange in Canada, and each subsequent release

to occur 30 days from the prior release.

The Purchase Agreement includes a number of conditions precedent to Closing, including but not limited to, receipt of the requisite shareholder approvals from the Blackbird Shareholders (approving the Acquisition as a "Fundamental Change"), completion of the Concurrent Financing, completion of the Consolidation, the Name Change being effected, the Pooling Agreement being entered into, approvals of all regulatory bodies having jurisdiction in connection with the Acquisition, including, the CSE, and the satisfaction of other customary closing conditions.

The foregoing is a summary of the Purchase Agreement and is qualified in its entirety by the Purchase Agreement, a copy of which will be available under the Company's profile on SEDAR+ at www.sedarplus.ca.

The Acquisition is not a "related party transaction" (as defined under Multilateral Instrument 61-101 Protection of Minority Security Holders in Special Transactions).

Directors and Officers of the Resulting Issuer

In conjunction with and upon Closing, it is expected that all directors and officers of the Company will resign, other than Gurdeep Bains, who will remain a director of the Resulting Issuer. The directors and officers of the Resulting Issuer are expected to be as follows: (i) Dr. Edward Mills, Director, CEO; (2) Harry Nijjar, Director and CFO; (3) Constantine Carmichel, Director; (4) Kevin May, Director; (5) Dr. Mark Dybul, Director; and (6) Gurdeep Bains, Director.

Blackbird Shareholder Approval

Pursuant to Section 4.6 of CSE Policy 4, the Company anticipates obtaining the approval of the Blackbird Shareholders in connection with the Acquisition as a Fundamental Change by way of a written resolution signed by Blackbird Shareholders holding more than 50% of the Blackbird Shares.

Listing Statement

In connection with the Acquisition and pursuant to the requirements of the CSE, the Company intends, once approved by the CSE, to file a CSE Form 2A Listing Statement (the "Listing Statement") on its issuer profile on SEDAR+ (www.sedarplus.ca) and on its CSE issuer profile on the CSE website (www.thecse.com), which will contain relevant details regarding the Acquisition, Lir Life Sciences, and the Resulting Issuer.
