

Western Star Resources Inc. Targets Greater U.S. Market Reach with OTC Bulletin Board Application Amid Surging Investor Interest

19.08.2025 | [The Newswire](#)

[Western Star Resources Inc.](#) (the "Company") (CSE: WSR) is pleased to announce it has formally applied to have its shares quoted on the U.S. Over-the-Counter Bulletin Board (OTCBB), a move designed to meet the strong and growing demand from American investors eager to participate in the company's growth.

Blake Morgan CEO stated,

"With our exploration and development projects gaining momentum, we're seeing unprecedented levels of interest from the U.S. investment community," said Blake Morgan, President and CEO of Western Star Resources. "A quotation on the OTCBB will open the door for more U.S. investors to join us on this journey, improve liquidity, and raise our profile in one of the world's most dynamic capital markets." The OTCBB application reflects Western Star Resources' strategy to enhance shareholder value through expanded market access, broader investor engagement, and increased trading convenience for U.S.-based shareholders. Upon receiving regulatory approval, the Company will release its OTCBB trading symbol and the official quotation start date.

About Western Star Resources

Western Star Resources is a mineral exploration and development company. The company's objective is to increase shareholder value through the development of exploration properties using cost-effective exploration practices, acquiring further exploration properties and seeking partnerships by either joint venture or sale with industry leaders. The company currently owns nine non-surveyed contiguous mineral claims totaling 4,740 hectares, which are located within the Revelstoke mining division of British Columbia. The Western Star property group is located approximately 50 kilometers southeast of Revelstoke, B.C., and roughly 10 kilometers north of the abandoned community of Camborne.
