

Discovery Energy Metals Completes Non-Brokered Private Placement for Proceeds of \$1,000,000

20.08.2025 | [ACCESS Newswire](#)

VANCOUVER, August 19, 2025 - [Discovery Energy Metals Corp.](#)

(CSE:DEMC)(OTCQB:DEMCF)(FRA:Q3Q0) (WKN: A3EFKA) ("Discovery" or the "Company"), a Canadian exploration company focused on advancing domestic energy freedom through regional Energy Metals discovery, is pleased to announce that it has completed a non-brokered private placement of 10,000,000 units of the Company ("Units") at a price of \$0.10 per Unit for gross proceeds of \$1,000,000 (the "Offering"). Each Unit is comprised of one common share of the Company and one transferable share purchase warrant, with each warrant exercisable to acquire one common share of the Company at a price of \$0.15 per share for a period of 24 months from the date of issuance. The gross proceeds from the Offering will be used for general working capital and property exploration.

All securities issued in connection with the Offering are subject to a statutory hold period of four months and one day pursuant to applicable securities law.

None of the securities sold in connection with the Offering are registered under the United States Securities Act of 1933, as amended, and no such securities were offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Caution Regarding Forward-Looking Information

Certain statements contained in this news release may constitute "forward-looking information" within the meaning of Canadian securities legislation. Forward-looking information is often, but not always, identified by the use of words such as "anticipate", "plan", "estimate", "expect", "may", "will", "intend", "should", "potential", "indicative" and similar expressions. Forward-looking information in this news release includes, but is not limited to, the Offering, including the timing, terms and anticipated use of proceeds from the Offering, the timely receipt of all necessary approvals for the Offering, and other statements regarding the Company's future business plans and objectives. Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking information. The Company's actual results could differ materially from those anticipated in this forward-looking information as a result of risks and uncertainties inherent in the exploration and development of mineral properties, fluctuations in commodity prices, counterparty risk, market conditions, regulatory decisions, competitive factors in the industries in which the Company operates, prevailing economic conditions, changes to the Company's strategic growth plans, and other factors, many of which are beyond the control of the Company. The Company believes that the expectations reflected in the forward-looking information are reasonable, but no assurance can be given that these expectations will prove to be correct and such forward-looking information should not be unduly relied upon. Any forward-looking information contained in this news release represents the Company's expectations as of the date hereof and is subject to change after such date. The Company disclaims any intention or obligation to update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required by applicable securities legislation.
