Houston, Aug. 25, 2025 - [Battalion Oil Corp.](#) (NYSE American: BATL, "Battalion" or the "Company") today announced that it received notice from the NYSE American LLC confirming acceptance of the Company's Plan to regain compliance with its continued listing standards, including granting a Plan period through November 30, 2026, for the Company to execute its compliance strategy.

As previously disclosed in the Company's Current Report on Form 8-K filed on June 2, 2025, Battalion received a notice from the NYSE American indicating noncompliance with the continued listing standards set forth in Sections 1003(a)(i) and 1003(a)(ii) of the NYSE American Company Guide. In response, the Company submitted a detailed plan to regain compliance, which was accepted on August 19, 2025.

During the Plan period, NYSE American staff will monitor the Company's progress. If Battalion fails to make progress consistent with the plan, the NYSE American may initiate delisting procedures, regardless of the Company's listing status at that time.

The Company's common stock will continue to be listed on the NYSE American under the symbol "BATL," pursuant to an exception, and remains subject to compliance with all other applicable listing requirements.

## Management Comments

"We appreciate the NYSE American's acceptance of our compliance plan and the opportunity to demonstrate our commitment to restoring compliance," said Matt Steele, Chief Executive Officer of [Battalion Oil Corporation](#). "Our team is focused on executing the plan with discipline and urgency, while continuing to strengthen our operations and financial position. We remain confident in our long-term strategy and are committed to delivering value to our shareholders."
