

Austral Gold Announces Workplace Fatality at Guanaco Plant

26.08.2025 | [Newsfile](#)

Sydney, August 25, 2025 - [Austral Gold Ltd.](#) (ASX: AGD) (TSXV: AGLD) (OTCQB: AGLDF) (Austral or the Company) regrets to report a fatal incident at its Guanaco mine in Chile, resulting in the death of an employee from a contractor company that provides plant service support at the operation.

Emergency protocols were immediately initiated to assist those on site, support employees and contractors, and notify the relevant authorities to commence an investigation.

We extend our deepest condolences to the employee's family, colleagues, and friends, during this difficult time.

The safety and health of everyone involved in our operations has always been and shall remain Austral Gold Limited's paramount priority. We are committed to working closely with the relevant authorities to determine the cause of this tragic incident and to ensure the continued safety of our workforce.

Forward Looking Statements

Statements in this announcement that are not historical facts are forward-looking statements. Forward looking statements are statements that are not historical, and consist primarily of projections - statements regarding future plans, expectations and developments. Words such as "expects", "intends", "plans", "may", "could", "potential", "should", "anticipates", "likely", "believes" and words of similar import tend to identify forward-looking statements. Forward-looking statements in this announcement include statements our expectation that we can continue to lay the foundation for our growth strategy by advancing our attractive portfolio of producing and exploration assets.

All of these forward-looking statements are subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to differ from those expressed or implied,

including, without limitation, uncertainty of exploration programs, development plans and cost estimates, commodity price fluctuations; political or economic instability and regulatory changes; currency fluctuations, the state of the capital markets, uncertainty in the measurement of mineral resources and reserves and other risks and hazards related to the exploration of a mineral property, and the availability of capital and a skilled workforce. You are cautioned that the foregoing list is not exhaustive of all factors and assumptions which may have been used. Austral cannot assure you that actual events, performance or results will be consistent with these forward-looking statements, and management's assumptions may prove to be incorrect. Austral's forward-looking statements reflect current expectations regarding future events and operating performance and speak only as of the date hereof and Austral does not assume any obligation to update forward-looking statements if circumstances or management's beliefs, expectations or opinions should change other than as required by applicable law. For the reasons set forth above, you should not place undue reliance on forward-looking statements.
