Vancouver, August 26, 2025 - [Galopper Gold Corp.](#) (CSE: BOOM) (OTC Pink: GGDCF) (the "Company" or "Galopper") is pleased to announce the appointment of Souren Sarkissov as a director of the Company.

Mr. Sarkissov is a well-known Toronto based entrepreneur and investor with more than 25 years of dedication to the growth and management of various privately held companies. His extensive business background reflects a strong commitment to building successful enterprises from ground up and guiding them to substantial growth.

Souren has played a pivotal role in launching several businesses, guiding them from inception to becoming multi-million-dollar enterprises. His leadership and vision have been key drivers to the success of various endeavors. He currently serves as Chairman of the Board of a privately held multi-national Oil and Gas company and as the Chief Executive Officer of a Toronto based enterprise.

Mr. Sarkissov holds a master's degree in electrical engineering and is actively engaged in the mining and business communities in Toronto.

To make room for Mr. Sarkissov on the Galopper Board, Nader Elm has resigned as a director of the Company. Galopper thanks Mr. Elm for his contribution as a director of the Company.

Forward-Looking Statements

This news release contains forward-looking statements within the meaning of applicable securities laws. The use of any of the words "anticipate", "plan", "continue", "expect", "estimate", "objective", "may", "will", "project", "should", "predict", "potential" and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Company cannot give any assurance that they will prove correct. Since forward-looking statements address future events and conditions, they involve inherent assumptions, risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of assumptions, factors and risks. These assumptions and risks include, but are not limited to, assumptions and risks associated with mineral exploration generally, risks related to capital markets, risks related to the state of financial markets or future metals prices and the other risks described in the Company's publicly filed disclosure.

Management has provided the above summary of risks and assumptions related to forward-looking statements in this news release in order to provide readers with a more comprehensive perspective on the Company's future operations. The Company's actual results, performance or achievement could differ materially from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits the Company will derive from them. These forward-looking statements are made as of the date of this news release, and, other than as required by applicable securities laws, the Company disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.

Neither the Canadian Securities Exchange nor its Regulation Services Provider accepts responsibility for the adequacy or accuracy of this release.
