26.08.2025 | [Newsfile](#)

[Silver47 Exploration Corp.](#) (TSXV: AGA) (OTCQB: AAGAF) ("Silver47" or the "Company") is pleased to announce that, due to strong investor demand, it has entered into an amendment agreement with Research Capital Corporation, as lead agent and sole bookrunner, on behalf of a syndicate of agents including Eventus Capital Corp. and Haywood Securities Inc. (collectively, the "Agents") to increase the size of its previously announced brokered private placement offering to up to 28,572,000 units (each, a "Unit") at a price of \$0.70 per Unit, for aggregate gross proceeds of up to \$20,000,400 (the "Offering").

Each Unit will be comprised of one common share of the Company (a "Common Share") and one-half of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each whole Warrant shall be exercisable to acquire one Common Share at a price of \$1.00 per Common Share for a period of 36 months from the closing of the Offering.

The Company intends to use the net proceeds of the Offering for further exploration work on the Company's projects and for general working capital purposes.

In addition, the Company has granted the Agents an option (the "Agents' Option") to increase the size of the Offering by up to \$3,000,060 by giving written notice of the exercise of the Agent's Option, or a part thereof, to the Company at any time up to 48 hours prior to closing of the Offering. If the Agents' Option is exercised in full, the gross proceeds of the Offering will be \$23,000,460.

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 - Prospectus Exemptions ("NI 45-106"), the Units are being offered for sale to purchasers resident in all provinces of Canada, except Quebec, in reliance on the "listed issuer financing exemption" from the prospectus requirement available under Part 5A of NI 45-106, as amended by Coordinated Blanket Order 45-935 - Exemptions from Certain Conditions of the Listed Issuer Financing Exemptions (the "Listed Issuer Financing Exemption"). The securities offered under the Listed Issuer Financing Exemption will not be subject to a hold period in accordance with applicable Canadian securities laws.

There is an offering document (the "Offering Document") related to the Offering that can be accessed under the Company's profile at www.sedarplus.ca and on the Company's website at www.silver47.ca. Prospective investors should read this Offering Document before making an investment decision.

The Company expects to close the Offering on or about September 16, 2025, or such other date as mutually agreed by the Company and the Agents. The Offering remains subject to the satisfaction of certain conditions including the receipt of all necessary regulatory approvals, and the approval of the TSX Venture Exchange.

The Company has agreed to pay to the Agents a cash commission equal to 6% of the gross proceeds of the Offering, subject to a reduction for orders on a president's list. In addition, the Company has agreed to issue to the Agents broker warrants of the Company exercisable for a period of 36 months, to acquire in aggregate that number of common shares of the Company which is equal to 6% of the number of Units sold under the Offering, subject to a reduction for orders on a president's list, at an exercise price of \$0.70.
