

# Blue Jay Gold Corp. Announces Non-Brokered Private Placement of Up to \$5 Million

04.09.2025 | [GlobeNewswire](#)

VANCOUVER, Sept. 04, 2025 - [Blue Jay Gold Corp.](#) ("Blue Jay" or the "Company"), is pleased to announce that it intends to complete a non-brokered private placement (the "Offering") of up to 8,333,333 units (the "Units") at a price of \$0.60 per Unit for aggregate gross proceeds of up to \$5,000,000.

Each Unit will consist of one common share of the Company (a "Common Share") and one-half of one common share purchase warrant (each whole warrant, a "Warrant"). Each Warrant will entitle the holder to acquire one additional Common Share at a price of \$0.90 for a period of two years from the date of issuance, subject to certain acceleration provisions.

"This financing will satisfy the necessary financial conditions to complete the acquisition of the Skukum project, including meeting the security requirements set by the Government of Yukon," said Dr. Geordie Mark, CEO of Blue Jay Gold. "In parallel, we have had productive discussions with various stakeholders, and completion of this financing will contribute to advancing our exploration goals and aims of a stock exchange listing over the near term. We remain committed to disciplined capital allocation and to creating long-term value for all shareholders."

All securities issued under the Offering will be subject to a statutory hold period of four months and one day from the date of issuance, in accordance with applicable Canadian securities laws.

Certain directors and officers of the Company (the "Insiders") are expected to participate in the Offering. The participation of Insiders constitutes a "related party transaction" under Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"). The Company is relying on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101, as the fair market value of the securities to be issued to Insiders does not exceed 25% of the Company's market capitalization.

The Company intends to use the net proceeds of the Offering for the acquisition of all the issued and outstanding shares in [Tincorp Metals Inc.](#)'s wholly owned subsidiary, Whitehorse Gold (Yukon) Corp. (which owns the Skukum project), satisfaction of the security demand tabled by the Yukon Government, working capital and general corporate purposes and advancement of the Company's projects.

The Company may pay finders' fees in connection with the Offering, subject to compliance with applicable securities laws.

The securities offered have not been registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any State in which such offer, solicitation or sale would be unlawful.
