

Tajiri Resources Corp. Increases Previously Announced Non-Brokered Private Placement to \$1.5 million

09.09.2025 | [CNW](#)

[Tajiri Resources Corp.](#) (the "Company" or "Tajiri") (TSXV: TAJ) is pleased to report that it has increased the size of its previously announced non-brokered private placement to CDN\$1.5 million through the sale of up to 21,428,571 units at a price of \$0.07 per unit. Each unit will consist of one common share and one half of one common share purchase warrant. Each whole warrant will entitle the holder to purchase an additional common share in the capital of the Company at a price of CDN\$0.14 for a period of twelve (12) months from the closing date. The warrants will be subject to an accelerated expiry, if, following the Closing, the closing price of the Issuer's common shares on the Exchange for any ten (10) consecutive trading days equals or exceeds \$0.25, the Issuer may, upon providing written notice to the holders (which may be done by way of regular press release) of Warrants, accelerate the expiry date of the Warrants to the date that is thirty (30) days following the date of such notice. Closing is subject to the final approval of the TSX Venture Exchange, fees may be paid on a portion of the offering and insiders may participate at their discretion. Funds raised will be used for exploration and development of the Company's mineral projects, future acquisitions, and for general working capital purposes. All securities issued as part of the placement will have a standard hold period of four months and one day from the closing date. The Company will provide additional updates related to the offering as they become available or are required.

On Behalf of the Board,
Tajiri Resources Corp.

Graham Keevil,
President & CEO

Forward-Looking Statements

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release, including, without limitation, statements with respect to: the completion and integration of the acquisition of the Yono Property; anticipated results of geophysical surveys or drilling programs; estimated timing thereof; geological interpretations; potential mineral recovery processes; and other future plans and objectives of the Company. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases, or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved) are not statements of historical fact and may be forward-looking statements.

Forward-looking statements contained herein are made as of the date of this press release, and the

Company disclaims, other than as required by law, any obligation to update any forward-looking statements whether as a result of new information, results, future events, circumstances, or if management's estimates or opinions should change, or otherwise. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers are cautioned not to place undue reliance on forward-looking statements.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy and / or accuracy of this release.
