

E-Power Resources Inc. Provides Management Update

23.09.2025 | [Newsfile](#)

[E-Power Resources Inc.](#) (CSE: EPR) ("E-Power" or the "Company") is pleased to report the appointment of Alexander Haffmans to the Board of Directors.

Michael Danielsson, Director of E-Power commented: Mr. Haffmans is a serial entrepreneur and businessman from Amsterdam, The Netherlands. Specializing in the food and agriculture industries, Mr. Haffmans has been a senior manager and business developer internationally including ventures and operations in Europe, Asia, and the Americas. Mr. Haffmans speaks 6 languages and has developed an extensive international network of associates. Mr. Haffmans holds a Master of Science Degree in Development Economics from Wageningen University and Research, The Netherlands. We welcome Alexander to the Board and his future contributions in our mission to develop our flake graphite assets.

The Company also announces the resignation of Director Gabriel Erdelyi from the Board of Directors. Before being appointed to the Board, Gabriel was a strong supporter of E-Power which continued through his tenure on the Board. Gabriel provided invaluable insight and advice to the Company. The Board of Directors and Management of E-Power wish to thank Gabriel for his contributions to E-Power and wish him continued success in the future.

The Company also wishes to report that James Cross, President and CEO of the Company is currently on a leave of absence while tending to personal matters. In his absence, Jamie Lavigne, VP Exploration and Director of the Company has been appointed Interim CEO.

About E-Power

E-Power Resources Inc. is a Québec Corporation based in Montréal and focused on battery minerals exploration in Québec. The Company is currently advancing two projects; the Tetepisca property, located in the North Shore region of the Province and the Turgeon property located in the Abitibi region adjacent to the Ontario border. The Company's priority target is flake graphite on the Tetepisca Property. The Turgeon property is located in the prolific Abitibi gold and base metal mining district and the Company is evaluating Turgeon primarily for its copper-zinc and gold potential.
