CALGARY, October 2, 2025 - [CANEX Metals Inc.](#) ("CANEX" or the "Company") (TSXV:CANX) is providing an update to its shareholders regarding the potential impact of the strike by the Canadian Union of Postal Workers on the Company's ability to comply with its obligations to deliver its meeting materials to shareholders in connection with its upcoming annual general meeting of shareholders scheduled to be held on October 30, 2025 (the "Meeting"). The Company has delivered the completed Notice of Meeting, Information Circular and related proxy materials (the "Meeting Materials") to the appropriate parties for mailing to registered and unregistered shareholders prior to the Meeting, but due to the postal strike, it is possible that the Meeting Materials will not be delivered to shareholders prior to the Meeting. The Meeting Materials have been filed on SEDAR and are available on the Company's SEDAR+ profile at www.sedarplus.com. The materials are also available on our website at <https://canexmetals.ca/investors/shareholder-meetings/>. Shareholders will still be able to vote their shares either directly by proxy (for registered shareholders) or indirectly through their intermediary (for unregistered shareholders who hold their shares through brokerage firms or other intermediaries).

The Company will provide copies of the Meeting Materials by email to each entitled shareholder who requests them while the strike is ongoing, at no charge. Shareholders can direct requests for copies of the Meeting Materials to the Company at info@canexmetals.ca or call 1-403-233-2636 between 9:00 a.m. and 4:00 p.m. Mountain Time.

If you are a registered shareholder, please contact at the Company to obtain your proxy form so you can cast your vote for the upcoming AGM.

If you hold shares through an intermediary such as a brokerage firm, please contact your intermediary directly for a copy of the proxy form and instructions for voting.

The deadline for voting by proxy for the Meeting is 10:00 a.m. (Mountain time) on October 28, 2025.

About CANEX Metals

CANEX Metals (TSXV:CANX) is a Canadian junior exploration company focused on advancing its 100% owned Gold Range Project in Northern Arizona. With several near surface bulk tonnage gold discoveries made to date across a 4 km gold mineralized trend, the Gold Range Project is a compelling early-stage opportunity for investors. CANEX is also advancing the Louise Copper-Gold Porphyry Project in British Columbia. Louise contains a large historic copper-gold resource that has seen very little deep or lateral exploration, offering investors copper and gold discovery potential. CANEX is led by an experienced management team which has made three notable porphyry and bulk tonnage discoveries in North America and is sponsored by Altius Minerals (TSX:ALS), a large shareholder of the Company.
