

Chord Energy Releases 2024 Sustainability Report

02.10.2025 | [PR Newswire](#)

[Chord Energy Corp.](#) (NASDAQ: CHRD) ("Chord" or the "Company") today announced the release of its 2024 Sustainability Report, which highlights Chord's commitment to sustainable operations and transparent reporting of environmental stewardship, social responsibility and corporate governance. The report is available on the Company's website at www.chordenergy.com/sustainability.

"We are pleased to share Chord's 2024 Sustainability Report with our stakeholders," said Danny Brown, Chord Energy's President and Chief Executive Officer. "In 2024, Chord strengthened its position as a leading operator in the Williston Basin through strong execution, innovation, and operational excellence. The successful acquisition and integration of Enerplus created a stronger, more resilient organization with deep, high-quality inventory, enhanced scale, and a best-in-class balance sheet."

Chord is committed to delivering affordable, reliable energy in a safe and responsible manner-meeting the world's growing energy needs while advancing energy security. Oil and natural gas play a vital role in expanding economic opportunity and improving quality of life, and we take pride in responsibly producing these resources while working continuously to lower our environmental footprint. This report underscores Chord's ongoing commitment to transparency and sustainability, as we continue to build a stronger future for Chord and the communities where we live and work.
