

Hi-View Resources Inc. Acquires Additional Claim Applications in BC's Toodoggone District

10.10.2025 | [The Newswire](#)

[Hi-View Resources Inc.](#) ("Hi-View" or the "Company") (CSE: HVW; OTCQB: HVWRF; FSE: B63) announces that it has acquired four new mineral tenure applications from an arm's length vendor, totaling approximately 1,372.5 hectares, strategically expanding its land position in British Columbia's highly prospective Toodoggone District.

Hi-View CEO & Director R. Nick Horsley commented: "These new mineral applications align with Hi-View's strategic vision for the Toodoggone District. The acquired ground encompasses structural trends and prospective stratigraphy directly along strike from known mineralized zones, enhancing our district-scale land package. This expansion bolsters our exploration pipeline, offering new generative targets for systematic evaluation and reinforcing our belief that the Toodoggone District has the potential to emerge as one of the world's richest mineral regions."

The applications, cover multiple contiguous blocks across the 094E map sheet and are designed to consolidate Hi-View's presence near key regional structures. This additional ground captures extensions of favourable stratigraphy and structural corridors known to host significant Au-Ag epithermal and Cu-Au porphyry mineralization.

Terms of the Agreement

The Company has acquired 100% interest in the four applications from an arm's length vendor by issuing 50,000 common shares of the Company and making a \$5,000 cash payment.
