

# Getchell Gold Corp. Engages Atrium Research Corporation

14.10.2025 | [CNW](#)

[Getchell Gold Corp.](#) (CSE: GTCH) (OTCQB: GGLDF) (FWB: GGA1) ("Getchell" or the "Company") is pleased to announce that it has engaged the services of Atrium Research Corporation ("Atrium"), a leading company sponsored research firm. Atrium will deliver a range of research services ("Services") to the Company and present the Company's investment case to potential investors.

Atrium will commence their Services by producing an in-depth initiation report, focusing on the Company's 100% owned preliminary economic assessment stage Fondaway Canyon gold project in Nevada. As part of the Services, Atrium will publish additional research reports and host video interviews with the Company's management team as material events occur. Generated research materials will be distributed across Atrium's extensive distribution network targeting the small and microcap market.

In exchange for Atrium's research services, Atrium will receive cash compensation in the amount of \$4,000 per month. The Services will be provided for an initial 9-month term beginning on October 8<sup>th</sup>, 2025, with the option to extend the term by an additional three months at \$3,200 per month.

Atrium and the company are arm's-length parties, and neither Atrium nor its insiders hold any shares or options to purchase shares in the issued and outstanding capital of the Company.

#### About Atrium Research

Atrium Research provides institutional quality company sponsored research on public equities in North America. Atrium's investment philosophy takes a 3-5 year view on equities currently being overlooked by the market. Its research process emphasizes understanding the key performance metrics for each specific company, trustworthy management teams, and an in-depth valuation analysis. Atrium Research is based in Toronto and wholly owned and operated by its Co-Founders, Ben Pirie and Nicholas Cortellucci.

#### Corporate Update

The Company further announces that incentive stock options to purchase up to 350,000 common shares of the Company have been granted to directors of the Company pursuant to the Company's stock option plan. The options are exercisable at \$0.38 per share for a period of five years from the grant date.
