

Midnight Sun Mining Corp. Begins Trading on the OTCQX

20.10.2025 | [Newsfile](#)

Midnight Sun Shares Now Trading on the OTCQX Best Market in the United States under the symbol "MDNGF."

[Midnight Sun Mining Corp.](#) (TSXV: MMA) (OTCQX: MDNGF) ("Midnight Sun" or the "Company") is pleased to announce that it has qualified to trade on the OTCQX Best Market in the United States under its current U.S. ticker symbol "MDNGF". Midnight Sun will continue to trade on the TSX Venture Exchange in Canada as its primary listing, under the ticker "MMA".

Midnight Sun CEO Al Fabbro states: "Midnight Sun trading on the OTCQX Best Market represents an important step in broadening our investor base and increasing transparency for U.S. investors. We have a significant and loyal shareholder base in the U.S., and this is a logical step toward building upon that base. Never has that been more important than now, as we believe Midnight Sun has a significant discovery in hand, and the capital to drive our flagship Dumbwa Target forward to delineate the full potential of this basement-hosted copper system, in one of the top global jurisdictions - Zambia."

It is anticipated that Midnight Sun's move to the OTCQX will provide greater liquidity and enhanced visibility to U.S. shareholders.

OTCQX is the highest-level trading venue of the OTC Markets Group Inc. To qualify for trading on the OTCQX, companies must meet stringent financial standards, adhere to best practice corporate governance, and demonstrate compliance with applicable securities laws.

U.S. investors can find current financial disclosure and real-time Level 2 quotes for Midnight Sun's common shares at www.otcmarkets.com.

About Midnight Sun

Midnight Sun is focused on exploring our flagship Solwezi Project, located in Zambia. Situated in the heart of the Zambia-Congo Copperbelt, the second largest copper producing region in the world, our property is vast and highly prospective. Our Solwezi Project is surrounded by producing copper mines, including Africa's largest copper mining complex right next door, First Quantum's Kansanshi Mine. Led by an experienced geological team with multiple discoveries and mines around the world to their credit, Midnight Sun's goal is to find and develop Zambia's next generational copper deposit.

ON BEHALF OF THE BOARD OF MIDNIGHT SUN MINING CORP.

Al Fabbro
President & CEO
