

# Steadright Critical Minerals Inc. Retains New York Investment Bank Craft Capital Management LLC

20.10.2025 | [The Newswire](#)

[Steadright Critical Minerals Inc.](#) (CSE: SCM) ("Steadright" or the "Company") is pleased to announce the engagement of Craft Capital Management LLC ("Craft") a broker-dealer regulated by the Financial Industry Regulatory Authority ("FINRA") and the U.S. Securities and Exchange Commission ("SEC"). Craft is a full broker-dealer that offers a range of services, particularly to those companies in growth sectors. Craft will be assisting Steadright, providing both financial advisory services and the raising of capital.

Headquartered in Garden City, New York, Craft Capital Management provides a full range of investment banking services: Including IPO's, follow on offerings, registered directs, advisory services, and ATM's. They also assist companies with corporate finance, private placements, valuation reports, fairness reports and independent research.

Steadright's CEO, Mr. Matt Lewis states, "Steadright has moved to the next level. Having Craft is a must, and an Institutional Broker of their stature will open up more financial opportunities as Steadright moves from an exploration company to one with a keen focus on revenues. Craft adds professional expertise to the team of Canadians and Moroccans helping accelerate the Company's growth and market cap at a compelling pace. Steadright continues to rapidly move forward the TitanBeach Titanium Project - and has also been taking a very strong look at further undervalued assets within Morocco, a mining jurisdiction second to none."

Titanium Dioxide (TiO<sub>2</sub>). Titanium Dioxide is classified as a Critical and Strategic Mineral in the U.S., Canada, Europe, and a significant amount of the world's other countries. With only a few of the world's suppliers dominating the market, TiO<sub>2</sub> is in strong demand.

## ABOUT STEADRIGHT CRITICAL MINERALS INC.

Steadright Critical Minerals Inc. is a mineral exploration company established in 2019. Steadright has been focused in 2025 on finding undervalued exploration and past mining opportunities that can be brought into production within the critical mineral space. Steadright is focused on near term production assets in Morocco. Steadright currently is also renegotiating an option on the RAM property near Port Cartier, Quebec within the Côte-Nord Region, which is accessible by Route 138. The RAM project is located on an Anorthositic complex that is in a highly prospective geological unit and historically been under explored for Ni, Cu, Co and precious metals.
