

Atlas Salt Signs Memorandum of Understanding with Continental Conveyor for Material Handling Systems at the Great Atlantic Salt Project

29.10.2025 | [ACCESS Newswire](#)

[Atlas Salt Inc.](#) ("Atlas Salt" or the "Company") (TSXV:SALT) (OTCQB:REMRF) announces the signing of a comprehensive non-binding Memorandum of Understanding ("MOU") with Continental Conveyor ("Continental"). This agreement establishes Continental as the Integrated Project Delivery ("IPD") Partner responsible for the design and supply of the material handling conveyor systems at the Great Atlantic Salt Project (the "Project").

Continental brings over 60 years of expertise in delivering heavy-duty bulk material handling systems across mining, ports, cement, and smelting industries. With established Canadian manufacturing operations in Quebec and Ontario, Continental will supply the complete conveyor package for the Great Atlantic Salt Project, spanning underground crushing systems through surface storage and overland conveyors to the port at Turf Point.

Key Elements of the Partnership

- **Comprehensive Scope:** Continental will supply the full conveyor system for the Project, including 28 belt conveyors and head chutes covering underground, surface, overland, and port operations.
- **Integrated Project Delivery:** As an IPD partner, Continental will work alongside Atlas Salt and other IPD firms to integrate equipment design, risk management, and project controls into a unified execution plan.
- **Proven Bulk Material Handling Expertise:** With a global track record in mining and resource industries, Continental's systems have been deployed in harsh operating environments worldwide, including potash, gold, coal, and port facilities.
- **Canadian Manufacturing and Support:** With facilities in Thetford Mines, QC and Napanee, ON, Continental offers local engineering, fabrication, and service capabilities to support timely delivery and long-term operational reliability.
- **Safety and Reliability:** Continental applies established safety programs and robust manufacturing practices to deliver reliable, long-life conveyor systems that meet the demanding requirements of Canadian mining projects.

Nolan Peterson, CEO of Atlas Salt, stated, "The selection of Continental Conveyor as our IPD partner for material handling represents another critical milestone for the Great Atlantic Salt Project. Their proven expertise, Canadian manufacturing base, and ability to deliver complete conveyor systems from underground to port provides Atlas Salt with the confidence to execute this core element of the Project with safety and certainty."

Brian Lynn, Vice President of Continental Conveyor, added, "We are proud to partner with Atlas Salt on this landmark Canadian mining project. With our extensive experience in bulk material handling and our integrated manufacturing facilities, we are committed to providing a complete, reliable, and efficient conveyor solution for the Great Atlantic Salt Project."

About Continental Conveyor

Founded in 1963, Continental Conveyor is a Canadian manufacturer of bulk material handling equipment with facilities in Quebec and Ontario. The company designs and supplies complete conveyor systems, feeders, reclaimers, stackers, and associated equipment to industries including mining, smelting, cement, ports, and power generation. With over 220 employees and decades of global experience, Continental is recognized for delivering robust, engineered solutions in demanding environments.

About Atlas Salt

Atlas Salt is developing Canada's next salt mine and is committed to responsible and sustainable mining practices. With a focus on innovation and efficiency, the company is poised to make significant contributions to the North American salt market while upholding its values of environmental stewardship and community engagement.

Cautionary Statement

Neither the TSX Venture Exchange nor its Regulation Services Provider, (as the term is defined in the Policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This press release includes certain "forward-looking information" and "forward-looking statements" (collectively "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein, without limitation, statements relating to the future operating or financial performance of the Company, are forward-looking statements. Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. Forward-looking statements in this press release relate to, among other things: obtaining financing, completion, delivery and timing of project components and requirements, and analysis and assumptions related thereto. Actual future results may differ materially. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates that, while considered reasonable by the respective parties, are inherently subject to significant business, technical, economic, and competitive uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation: the timing, completion and delivery of required permits, supply arrangements and financing. Readers should not place undue reliance on the forward-looking statements and information contained in this news release concerning these times. Except as required by law, the Company does not assume any obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.
