She also brings substantial professional experience in Latin America and is fluent in Spanish. She holds a Bachelor of Arts degree in Spanish Literature from Dartmouth College.

About Battery Mineral Resources Corp.

Battery Mineral Resources' mission is to build a mid-tier copper producer. The Company has recently initiated mine and mill operations at the Punitaqui Mining Complex, a historic copper-, gold-, and silver-producing mine in the Coquimbo region of Chile. The Company's portfolio also includes 100%-owned ESI Energy Services Inc. and North American mineral exploration assets. The Company is focused on providing shareholders with accretive exposure to copper and the global trend of electrification while targeting growth through cash flow, exploration, and acquisitions in favorable mining jurisdictions. Further information about BMR and its projects can be found on www.bmrcorp.com.
