

# Silverco Mining Ltd. Finalizes Name Change

31.10.2025 | [Newsfile](#)

[Silverco Mining Ltd.](#) (TSXV: SICO) (formerly Quetzal Copper Corp.) (the "Company") is pleased to announce that, further to its news release dated October 22, 2025, the Company has completed its name change from "Quetzal Copper Corp." to "Silverco Mining Ltd." (the "Name Change").

Due to a labour dispute between the British Columbia General Employees' Union and the government of British Columbia, BC Registries, the government body responsible for registrations of businesses, was temporarily closed. As a result, the Company was unable to legally change its name at the time of completing its reverse takeover of Silverco Mining Corp., which closed on October 17, 2025.

The Company's common shares continue to trade on the TSX Venture Exchange under the trading symbol "SICO," with 32,616,265 shares outstanding. The Company anticipates its common shares will commence trading under the new name at market open on November 4, 2025.

There is no change in the capitalization of the Company in connection with the Name Change. No action is required by existing shareholders of the Company with respect to the Name Change. Outstanding common shares certificates or DRS notices do not need to be exchanged. The Company's new CUSIP number is 827924101 and its new ISIN number is CA8279241019.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.

## About the Company

The Company owns a 100% interest in the 11,665-hectare Cusi Mine Project located in Chihuahua State, Mexico (the "Cusi Property"). It lies within the prolific Sierra Madre Occidental gold-silver belt. There is an existing 1,200 ton per day mill with permitted tailings capacity at the Cusi Property.

The Cusi Property is a permitted, past-producing underground silver-lead-zinc-gold project approximately 135 kilometers west of Chihuahua City. The Cusi Property boasts excellent infrastructure, including paved highway access and connection to the national power grid.

The Cusi Property hosts multiple historical Ag-Au-Pb-Zn producing mines each developed along multiple vein structures. The Cusi Property hosts several significant exploration targets, including the extension of a newly identified downthrown mineralized geological block and additional potential through claim consolidation.

## Cautionary Note Regarding Forward-Looking Statements

This news release contains statements that constitute "forward-looking statements." Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements, or developments to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Forward

looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur.

Forward-looking statements in this document include, among others, statements relating to expectations regarding the commencement of trading under the new name on the TSX Venture Exchange. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors and risks include, among others: the Company may require additional financing from time to time in order to continue its operations which may not be available when needed or on acceptable terms and conditions acceptable; compliance with extensive government regulation; domestic and foreign laws and regulations could adversely affect the Company's business and results of operations; and the stock markets have experienced volatility that often has been unrelated to the performance of companies and these fluctuations may adversely affect the price of the Company's securities, regardless of its operating performance.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. The Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
