

# Selkirk Copper Mines Inc. Initiates Trading

04.11.2025 | [Newsfile](#)

[Venerable Ventures Ltd.](#) (doing business as "Selkirk Copper Mines") (TSXV: SCMI) ("Selkirk Copper" or the "Company") is pleased to announce that the Company's common shares will resume trading on the TSX Venture Exchange ("TSXV") under the new ticker symbol "SCMI" at the opening of markets today.

Trading resumes following the completion of the Company's previously announced reverse take-over transaction involving the acquisition of a 100% interest in the former Minto copper-gold-silver mine in the Yukon from Selkirk First Nation affiliates. Details of the transaction, including information on the resulting issuer, are provided in the Company's news release dated October 29, 2025, and in its Filing Statement available under the Company's profile on SEDAR+.

## Corporate Update

The Company, which will continue to use the legal name, "Venerable Ventures Ltd." until completion of its pending name change to "Selkirk Copper Mines Inc.", is advancing a comprehensive restart plan for the former Minto copper-gold-silver mine in partnership with the Selkirk First Nation. Current priorities include a 50,000-metre drill program, Trade-Off Studies and Feasibility Study work, updated mine plans, and permitting to support a potential restart decision in early 2027.

## About Selkirk First Nation

Selkirk First Nation is centered in Pelly Crossing, a community in central Yukon, 280km north of Whitehorse. They are a self-governing First Nation, having signed its Final and Self-Government Agreements in 1997. Selkirk owns 4,740 square kilometers of Settlement Land, including 2,408 square kilometers where Selkirk owns both the surface and subsurface. Selkirk First Nation is one of three self-governing Northern Tutchone First Nations in the Yukon. The Selkirk First Nation, indirectly, holds a controlling equity stake in Selkirk Copper.

## About Selkirk Copper

Selkirk Copper is a well-financed, newly formed company with a controlling interest held by the Selkirk First Nation, that, in partnership with the Selkirk First Nation, is completing a thorough exploration drilling campaign and a restart and redevelopment plan for the former Minto copper-gold-silver mine based on best-in-class environmentally sustainable mining, development and reclamation practice. Selkirk Copper controls 26,850 hectares of prospective mineral claims located in the Minto-Carmacks copper belt as well as significant open-pit and underground infrastructure, a 4,100 tonne per day processing plant, 400-person camp, water treatment facilities, numerous ancillary buildings, and mobile equipment centered on the former Minto copper-gold-silver mine. Selkirk Copper's mineral tenure, operation infrastructure, access roads and powerline, is located on or adjacent to Lands of the Selkirk First Nation much of which is surrounded by prospective Selkirk First Nation Category A Lands.

#### CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

Except for the statements of historical fact, this news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. When used in this news release, the words "estimate", "project", "belief", "anticipate", "intend", "expect", "plan", "predict", "may" or "should" and the negative of these words, or variations thereon or comparable terminology are intended to identify forward-looking statements and information. The forward-looking statements and information in this news release include information relating to: the name change, the business plans and objectives of the Company. Such forward-looking information is based on the Company's expectations, estimates and projections as at the date of this news release.

By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements, including but not limited to: the potential inability of the Company to continue as a going concern, risks associated with potential governmental and/or regulatory action with respect to the Company's operations, the potential inability of the Company to implement its business plan going forward, and failure to achieve the proposed benefits of the Transaction. Such statements and information reflect the current view of the Company and are based on information currently available to the Company. In connection with the forward-looking information contained in this news release, the Company has made assumptions about the Company's ability to execute on its business plans. The Company has also assumed that no significant events will occur outside the Company's normal course of business. Although the Company believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein.

Any forward-looking information speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or otherwise.
