[Daura Gold Corp.](#) (TSXV: DGC) ("Daura" or the "Company") is pleased to announce the recent transition of Mr. Mark Sumner to Chief Executive Officer, effective November 1, 2025.

Mr. Sumner, formerly President and Director, will assume responsibility for the Company's day-to-day operations and strategic direction as it enters a new phase of exploration and growth.

Luis ("Lucho") Saenz, Daura's current CEO, will remain on the Board of Directors and continue to play a critical role in Peru, supporting advancement of the Company's flagship Antonella-Libélulas Project and broader regional activities.

"Formalizing Mark's transition to CEO comes at an exciting time for Daura," said Luis Saenz, Director. "His leadership has been central to the Company's evolution from inception to an emerging exploration story with exceptional growth potential. I look forward to continuing to contribute on the ground as we advance the flagship Antonella-Libélulas Projects in Peru."

"I'm honoured to lead Daura into its next phase of development," said Mark Sumner, incoming CEO of Daura Gold. "With a strong treasury, an experienced technical team, and a clear focus on high-impact exploration, Daura is well positioned to deliver meaningful results and create long-term value for shareholders."

Each Unit consists of one common share in the capital of the Company (each, a "Share") and one-half-of-one Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant entitles the holder to purchase one additional Share at a price of \$0.375 until October 9, 2027.
