

# Nevada Sunrise Closes \$650,000 Private Placement

07.11.2025 | [Newsfile](#)

Vancouver, November 6, 2025 - [Nevada Sunrise Metals Corp.](#) (TSXV: NEV) (OTC Pink: NVSGF) ("Nevada Sunrise" or the "Company") is pleased to announce it has closed a non-brokered private placement (the "Offering") for gross proceeds of \$650,000, consisting of 13,000,000 units (the "Units") at a price of \$0.05 per Unit, with each Unit comprised of one common share of the Company and one common share purchase warrant (a "Warrant"). Each Warrant will entitle the holder to purchase one common share at a price of \$0.075 for a period expiring three years from the closing date of the Offering. Due to investor demand, the Offering was increased from \$600,000 (12,000,000 Units) (see news release dated October 16, 2025) to \$650,000 (13,000,000 Units).

Proceeds of the Offering will be used for:

- Exploration work on the Company's Nevada mineral properties;
- Other mineral property investigations, and general working capital.

The Offering was available to accredited investors and individuals that qualified under certain other statutory exemptions. The securities issued pursuant to the Offering are subject to a statutory hold period expiring March 7, 2026. In connection with the closing of the Offering, the Company paid finder's fees consisting of a total of \$31,500 cash and 630,000 finder's warrants (each a "Finder's Warrant") to Canaccord Genuity Corp. Each Finder's Warrant is exercisable at a price of \$0.075 for a period of three years from the closing date of the Offering. The Offering is subject to acceptance of the TSX Venture Exchange.

This news release does not constitute an offer of sale of any of the foregoing securities in the United States. None of the foregoing securities have been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act") or any applicable state securities laws and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) or persons in the United States absent registration or an applicable exemption from such registration requirements. This news release does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the foregoing securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

#### FORWARD LOOKING STATEMENTS

This release may contain forward-looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur and include disclosure of anticipated exploration activities. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date such statements were made. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.

Such factors include, among others, risks related to future plans for the Company's Nevada mineral properties; reliance on technical information provided by third parties on any of our exploration properties; changes in mineral project parameters as plans continue to be refined; current economic conditions; future prices of commodities; possible variations in grade or metallurgical recovery rates; failure of equipment or processes to operate as anticipated; the failure of contracted parties to perform; labor disputes and other risks of the mining industry; delays due to pandemic; delays due to weather; delays in obtaining governmental approvals, financing or in the completion of exploration, as well as those factors discussed in the section entitled "Risk Factors" in the Company's Management Discussion and Analysis for the Nine Months ending June 30, 2025, which is available under Company's SEDAR profile at [www.sedarplus.com](http://www.sedarplus.com).

Although Nevada Sunrise has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Nevada Sunrise disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise. Accordingly, readers should not place undue reliance on forward-looking information.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
