

# Scottie Announces \$23.5 Million Non-Brokered Financing

17.11.2025 | [Newsfile](#)

Vancouver, November 17, 2025 - [Scottie Resources Corp.](#) (TSXV: SCOT) (OTCQB: SCTSF) (FSE: SR80) ("Scottie" or the "Company") is pleased to announce a non-brokered private placement offering of up to 10,981,308 charitable flow-through shares of the Company ("Charity FT Shares") at a price of \$2.14 per Charity FT Share for gross proceeds of up to \$23,500,000 (the "Offering"). Each Charity FT Share will qualify as a "flow-through share", within the meaning of subsection 66(15) of the Income Tax Act (Canada) (the "Tax Act").

The gross proceeds from the issue and sale of the Charity FT Shares will be used by the Company to incur eligible "Canadian exploration expenses" that qualify as "flow-through mining expenditures" as such terms are defined in the Tax Act (the "Qualifying Expenditures") related to the Scottie Gold Mine Project in British Columbia. Qualifying Expenditures with respect to the Charity FT Shares will also qualify as "BC flow-through mining expenditures" as such term is defined in the Income Tax Act (British Columbia). All Qualifying Expenditures will be renounced in favour of the subscribers for the Charity FT Shares effective on or before December 31, 2025. The funds will be used to advance the Scottie Gold Mine Project with diamond drilling and field work during the 2026 field season.

In connection with the Offering, the Company may engage certain arm's-length parties who may receive a cash finder's fee payment and/or warrants to purchase common shares in the capital of the Company in consideration of securities that are sold to subscribers introduced by such parties. Any cash finder's fee payment and/or warrants will be subject to the approval of, and will be issued in accordance with, the rules of the TSX Venture Exchange (the "TSXV").

Insiders of the Company may acquire securities under the Offering, which will be considered a "related party transaction" as defined under Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). Such participation is expected to be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101.

The securities issued pursuant to the Offering will be subject to a statutory four-month hold period. The Offering is subject to regulatory approval, including the approval of the TSXV.

This press release does not constitute an offer of sale of any of the foregoing securities in the United States. None of the foregoing securities have been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act") or any applicable state securities laws and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) or persons in the United States absent registration or an applicable exemption from such registration requirements. This press release does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the foregoing securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

## ABOUT SCOTTIE RESOURCES CORP.

Scottie owns a 100% interest in the Scottie Gold Mine Property which includes the Blueberry Contact Zone and the high-grade, past-producing Scottie Gold Mine. Scottie also owns 100% interest in the Georgia Project which contains the high-grade past-producing Georgia River Mine, as well as the Cambria Project properties and the Sulu and Tide North properties. Altogether Scottie Resources holds approximately 58,500 hectares of mineral claims in the Stewart Mining Camp in the Golden Triangle.

The Company's focus is on expanding the known mineralization around the past-producing mines while

advancing near mine high-grade gold targets, with the purpose of producing a high-margin DSO product.

All of the Company's properties are located in the area known as the Golden Triangle of British Columbia which is among the world's most prolific mineralized districts.

Forward-Looking Statements

This news release contains "forward-looking information" and "forward-looking statements" within the meaning of applicable securities legislation. The forward-looking statements herein are made as of the date of this news release only, and the Company does not assume any obligation to update or revise them to reflect new information, estimates or opinions, future events or results or otherwise, except as required by applicable law. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budgets", "scheduled", "estimates", "forecasts", "predicts", "projects", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. These forward-looking statements include, among other things, statements relating to the anticipated use of proceeds from the Offering; the timing and receipt of all required approvals, including TSXV approval, to complete the Offering; and discussion of future plans, projects, objectives, estimates and forecasts and the timing related thereto.

Such forward-looking statements are based on a number of assumptions of management, including, without limitation, the Company's ability to continue with its stated business objectives and obtain required approvals; the ability of the Company to complete the Offering; the Company's ability to obtain all required approvals, including TSXV approval, to complete the Offering; and the Company's anticipated use of proceeds from the Offering. Additionally, forward-looking information involve a variety of known and unknown risks, uncertainties and other factors which may cause the actual plans, intentions, activities, results, performance or achievements of the Company to be materially different from any future plans, intentions, activities, results, performance or achievements expressed or implied by such forward-looking statements. Such risks include, without limitation: risks associated with the business of the Company; risks related to the satisfaction or waiver of certain conditions to closing of the Offering; the failure of the Company to obtain all required approvals, including TSXV approval, to complete the Offering; the inability of the Company to complete the Offering; and other risk factors as detailed from time to time and additional risks identified in the Company's filings with Canadian securities regulators on SEDAR+ in Canada (available at [www.sedarplus.ca](http://www.sedarplus.ca)).

Such forward-looking information represents management's best judgment based on information currently available. No forward-looking statement can be guaranteed and actual future results may vary materially. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information. Neither the Company nor any of its representatives make any representation or warranty, express or implied, as to the accuracy, sufficiency or completeness of the information in this news release. Neither the Company nor any of its representatives shall have any liability whatsoever, under contract, tort, trust or otherwise, to you or any person resulting from the use of the information in this news release by you or any of your representatives or for omissions from the information in this news release.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of TSX Venture Exchange) accepts responsibility for the adequacy of accuracy of this release.
