

Ascot Provides Update on Restructuring

01.12.2025 | [GlobeNewswire](#)

VANCOUVER, Dec. 01, 2025 - [Ascot Resources Ltd.](#) (TSXV: AOT.H; OTCID: AOTVF) ("Ascot" or the "Company") provides an update that it continues to pursue the proposed transactions disclosed on October 23, 2025 (the "Restructuring").

The Company's stock was halted on November 28, 2025 in anticipation of announcing certain terms of the C\$150 million private placement and secured creditor restructuring that were described in the Company's Restructuring press release of October 23, 2025, however, the Company did not come to terms, including pricing, and has no additional information to announce at this time.

The structure and pricing of the private placement remain undetermined. If the private placement is not completed, the Company will need to pursue other alternatives, including the possibility of initiating proceedings under the Companies' Creditors Arrangement Act (CCAA). There is no certainty that any such alternatives will be available.

The Company has a cash position of C\$1.9 million at December 1, 2025 and expects to have sufficient funds to sustain current operations until mid-December.

Cautionary Statement Regarding Forward-Looking Information

All statements and other information contained in this press release about anticipated future events may constitute forward-looking information under Canadian securities laws ("forward-looking statements"). Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect", "targeted", "outlook", "on track" and "intend" and statements that an event or result "may", "will", "should", "could", "would" or "might" occur or be achieved and other similar expressions. All statements, other than statements of historical fact, included herein are forward-looking statements, including statements in respect of the terms and conditions of the private placement and Restructuring, the ability of the Company to accomplish its business objectives and the intentions described herein; and future plans, development and operations of the Company. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements, including uncertainty relating to the closing of the private placement and other components of the Restructuring, delays in obtaining or failure to obtain required approvals to complete the Restructuring; the uncertainty associated with estimating costs to completion of the Restructuring; risks relating to negative operating cash flows of the Company; business and economic conditions in the mining industry generally; fluctuations in commodity prices and currency exchange rates; environmental compliance; risks related to outstanding debt; uncertainty of estimates and projections relating to development, production, costs and expenses, and health, safety and environmental risks; uncertainties relating to interpretation of drill results and the geology, continuity and grade of mineral deposits; the need to obtain additional financing to finance operations and uncertainty as to the availability and terms of future financing; social media and reputation; negative publicity; human rights; business objectives; shortage of personnel; health and safety; the possibility of delay in future plans and uncertainty of meeting anticipated program milestones; claims and legal proceedings; information systems and cyber security; internal controls; violation of anti-bribery or corruption laws; competition; tax considerations; compliance with listing standards; enforcement of civil liabilities; financing requirement risks; market price volatility of Shares; uncertainty as to timely availability of permits and other governmental approvals; the need for exchange approval, and other regulatory approvals and other risk factors as detailed from time to time in Ascot's filings with Canadian securities regulators, available on Ascot's profile on SEDAR+ at www.sedarplus.ca including the Annual Information Form of the Company dated March 24, 2025 in the section entitled "Risk Factors". Forward-looking statements are based on assumptions made with regard to: the completion of the Restructuring; the estimated costs associated with the care and maintenance plans; the tax rate applicable to the Company; future commodity prices; the grade of mineral resources and mineral reserves; labor and materials costs increasing on a basis consistent with the Company's current expectations, the ability of the Company to convert inferred mineral resources to other categories; the ability of the Company to reduce mining dilution; the ability to reduce capital costs; the ability of the Company to raise additional financing; currency exchange rates being approximately consistent with current levels, compliance with the covenants in Ascot's credit agreements; exploration plans; and general marketing, political, business and economic conditions. Forward-looking statements are based on estimates and opinions of management at the date the statements are made. Although Ascot believes that the expectations reflected in such forward-looking statements and/or information are reasonable, undue reliance should not be placed on forward-looking statements since Ascot can give no assurance that such expectations will prove to be correct. Ascot does not undertake any obligation to update forward-looking statements, other than as required by applicable laws. The forward-looking information contained in this news release is expressly qualified by this cautionary statement.
