03.12.2025 | [CNW](#)

[Nevada King Gold Corp.](#) (TSX-V: NKG; OTCQB: NKGFF) ("Nevada King" or the "Company") is pleased to announce that it has completed the purchase of the Silver Park claims after satisfying the requirements of the option agreement announced in September 2024. Including the most recent payment as consideration, the Company has paid Silver LLC ("Ofor"), a total of US\$75,000, in addition to the 100,000 common shares issued to Ofor on July 30, 2024, in exchange for three contiguous patented lode mining claims covering approximately 24 hectares, located ~2km from the Atlanta Resource Zone.

John Sclodnick, CEO of Nevada King commented: "Not only has the Silver Park target area become a key focus of our Phase III regional exploration program with gold and silver mineralization now confirmed over a 450m by 300m footprint with clear expansion potential, but the patented claims acquired offer significant flexibility from a permitting perspective in potential future development scenarios."
