

Tudor Closes First Tranche of Flow-Through Financing

04.12.2025 | [Newsfile](#)

Vancouver, December 4, 2025 - [Tudor Gold Corp.](#) (TSXV: TUD) (FSE: H56) (the "Company" or "Tudor") reports that it has closed the first tranche (the "First Tranche") of its non-brokered private placement (previously announced on November 18, 2025 and November 25, 2025) of up to 12.75 million flow-through units (the "Units") at a price of \$0.95 per Unit for gross proceeds of up to approximately \$12 million (the "Offering"). The First Tranche consisted of 11,919,709 Units for gross proceeds of \$11,323,724.

Each Unit will consist of one flow-through common share in the capital of the Company (a "Share") and one-half of one non-flow-through common share purchase warrant (a "Warrant"). The Shares will qualify as "flow-through shares" for purposes of the Income Tax Act (Canada) (the "Tax Act"). Each whole Warrant will entitle the holder to purchase one additional non-flow-through common share in the capital of the Company at an exercise price of \$1.20 per common share for a period of two years from the date of issue.

The gross proceeds from the issue and sale of the Units will be used for Canadian exploration expenses as defined in paragraph (f) of the definition of "Canadian exploration expense" in subsection 66.1(6) of the Tax Act, "flow through mining expenditures" as defined in subsection 127(9) of the Tax Act that will qualify as "flow-through mining expenditures", and "BC flow-through mining expenditures" as defined in subsection 4.721(1) of the Income Tax Act (British Columbia) (the "Qualifying Expenditures"), which will be incurred on or before December 31, 2026 and renounced with an effective date no later than December 31, 2025 to the initial purchasers of Units, and, if the Qualifying Expenditures are reduced by the Canada Revenue Agency, the Company will indemnify each Unit subscriber for any additional taxes payable by such subscriber as a result of the Company's failure to fully renounce the Qualifying Expenditures as agreed.

In connection with the First Tranche, the Company paid finder's fees of an aggregate of \$479,638 and issued an aggregate of 504,880 warrants to arm's length finders, representing 6% of the proceeds raised from subscriptions by, and 6% of the Units issued to, certain placees. All securities issued pursuant to the First Tranche are subject to a four-month hold period expiring on April 4, 2026. The securities offered pursuant to the Offering have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of such Act.

About Treaty Creek

The Treaty Creek Project hosts the Goldstorm Deposit, comprising a large gold-copper porphyry system, as well as several other mineralized zones. The Goldstorm Deposit has an Indicated Mineral Resource of 730.20 million tonnes (Mt) comprised of 21.66 million ounces gold grading 0.92 g/t, 2.87 billion pounds copper grading 0.18% and 128.73 million ounces silver grading 5.48 g/t and an Inferred Mineral Resource of 149.61 Mt comprised of 4.88 million ounces gold grading 1.01 g/t, 503.2 million pounds copper grading 0.15% and 28.97 million ounces silver grading 6.02 g/t, as disclosed in the "NI-43-101 Technical Report for the Treaty Creek Project", dated April 5, 2024 prepared by Garth Kirkham Geosystems and JDS Energy & Mining Inc. The Goldstorm Deposit remains open in all directions and requires further exploration drilling to determine the size and extent of the Deposit.

About Tudor Gold

Tudor Gold Corp. is a precious and base metals exploration and development company with claims in British Columbia's Golden Triangle (Canada), an area that hosts producing and past-producing mines and several large deposits that are approaching potential development. The 17,913 hectare Treaty Creek Project (in which Tudor Gold has an 80% interest) borders [Seabridge Gold Inc.](#)'s KSM property to the southwest and borders [Newmont Corp.](#)'s Brucejack Mine property to the southeast.

Qualified Person

The Qualified Person for this news release for the purposes of National Instrument 43-101 is the Company's Senior Vice President of Exploration, Ken Konkin, P. Geo. He has read and approved the scientific and technical information that forms the basis for the disclosure contained in this news release.

Neither Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Exchange) accepts responsibility for the adequacy or accuracy of this release.

Cautionary Statements regarding Forward-Looking Information

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. "Forward-looking information" includes, but is not limited to, statements with respect to the activities, events or developments that the Company expects or anticipates will or may occur in the future, including the completion and anticipated results of planned exploration activities, the ability of the Company to complete the Offering on the proposed terms or at all, statements regarding the tax treatment of the Units and the timing to renounce all Qualifying Expenditures, the anticipated use of proceeds from the Offering and receipt of regulatory approvals with respect to the Offering. Generally, but not always, forward-looking information and statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes" or the negative connotation thereof or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved" or the negative connotation thereof.

Such forward-looking information and statements are based on numerous assumptions, including among others, that the Company's planned exploration activities will be completed in a timely manner, that the Company will be able to complete the Offering on the terms as anticipated by management, that the Company will use the proceeds of the Offering as anticipated, and that the Company will receive regulatory approval with respect to the Offering. Although the assumptions made by the Company in providing forward-looking information or making forward-looking statements are considered reasonable by management at the time, there can be no assurance that such assumptions will prove to be accurate.

There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's plans or expectations include the risk that the Company will not be able to complete the Offering on the terms as anticipated by management or at all, that the Company will not use the proceeds of the Offering as anticipated, that the Company will not receive regulatory approval with respect to the Offering, risks relating to the actual results of current exploration activities, fluctuating gold prices, possibility of equipment breakdowns and delays, exploration cost overruns, availability of capital and financing, general economic, market or business conditions, regulatory changes, timeliness of government or regulatory approvals and other risks detailed herein and from time to time in the filings made by the Company with securities regulators.

Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information or implied by forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be

no assurance that forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on forward-looking statements or information.

The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise except as otherwise required by applicable securities legislation.
