

Atico Mining Announces Proposed Debenture Amendment and Restatement with Dundee

16.12.2025 | [GlobeNewswire](#)

VANCOUVER, Dec. 16, 2025 - [Atico Mining Corp.](#) (the "Company" or "Atico") (TSX.V: ATY | OTC: ATCMF) announces that it intends to amend and restate the Company's existing debenture agreement (the "Debenture Agreement") issued on December 16, 2020 to Dundee Corporation (the "Dundee"), of which US\$6,612,192 in principal amount remains outstanding (the "Principal Amount").

Pursuant to the amendment and restatement, the maturity date will be extended to December 16, 2027 and interest on the outstanding Principal Amount will accrue at a rate of 12% per annum. The Company will have the right, at its sole discretion, to prepay the entire outstanding principal amount, together with accrued and unpaid interest thereon, at any time (subject to providing required notice) prior to the maturity date without penalty. The loan will be supported by a guarantee from certain subsidiaries of the Company, and upon the amendment and restatement, the Principal Amount will no longer be convertible into securities of the Company.

In connection with the amendment and restatement, the Company will issue to Dundee 1,000,000 non-transferable common share purchase warrants (the "Warrants"), each exercisable to acquire one common share of the Company at an exercise price equal to a 30% premium to the market price for a period of two years from the date of issuance.

Closing is expected to occur concurrent with the execution of definitive documentation on or about December 16, 2025 and is subject to customary closing conditions including receipt of requisite approvals including the approval of the TSX Venture Exchange.

Cautionary Note Regarding Forward Looking Statements

This news release contains certain forward-looking information and forward-looking statements, as defined in applicable securities laws (collectively referred to herein as "forward-looking statements"). These statements relate to future events or the Company's future performance. All statements other than statements of historical fact are forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "anticipates", "believes", "estimates", "expects", "confirm" and similar expressions, or the negatives of such words and phrases, or state that certain actions, events or results "may", "could", "would", "should", "might", or "will" be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in such forward-looking statements. The forward-looking statements in this news release speak only as of the date hereof or as of the date specified in such statement. Specifically, this news release includes, but is not limited to, forward-looking statements regarding: the expected terms contained in the definitive documentation and the expected closing of the loan amendment with Dundee including the timing thereof.

Inherent in forward-looking statements are risks, uncertainties and other factors beyond Atico's ability to predict or control. These risks, uncertainties and other factors include, but are not limited to, risks associated with the Company's outstanding debt, including amount due and payable to Trafigura; the availability and cost of funds; uncertainties relating to the closing of the Dundee loan amendment, including delays in obtaining or failure to obtain required approvals to complete the Dundee loan amendment; mining operations; market fluctuations in commodity prices; title risks and surface rights and access; changes in legislation; political instability; government or regulatory approvals; non-compliance with laws and regulations and compliance costs; environmental compliance; climate change; uninsured and uninsurable risks; water disposal, tailings and reclamation obligations; financing risks; risks associated with outstanding debt; global economic conditions; availability and costs of supplies; community relations; mineral reserve and mineral resource estimates; future production rates; labour relations; currency fluctuations; the Company may engage in hedging activities; infrastructure; exploration and development capital expenditures; social media and reputation; negative publicity; human rights; business objectives; concentrate sales risks; shortage of personnel; health and safety; pandemics, epidemics or infectious disease outbreak; physical security; conflicts of interest; claims and legal proceedings; information systems and cyber security; internal controls; violation of anti-bribery or corruption laws; competition; tax considerations; compliance with listing standards; enforcement of civil liabilities; financing requirement risks; market price volatility of Common Shares; and other risks and uncertainties related to the Company's business, including those described in the Company's public disclosure documents on SEDAR+ at www.sedarplus.ca. Readers are cautioned that the foregoing list of factors is not exhaustive of the factors that may affect the forward-looking statements. Actual results and developments are likely to differ and may differ materially from those expressed or implied by the forward-looking statements contained in this news release. Such statements are based on a number of assumptions which may prove to be incorrect, including but not limited to, (1) the successful completion of the Dundee loan amendment; (2) the Company's ability to generate positive cash flows from ongoing operations at the El Roble Mine, including the ability to sell its mineral concentrates in inventory; (3) that all required third party contractual, regulatory and governmental approvals will be obtained for the development, construction and production of the Company's properties, (4) there being no significant disruptions affecting operations, whether due to labor disruptions, supply disruptions, power disruptions, damage to equipment, non-renewal of title to the Company's claims or otherwise, (5) permitting, development, expansion and power supply proceeding on a basis consistent with the Company's current expectations, (6) currency exchange rates being approximately consistent with current levels, (7) certain price assumptions for copper, gold, zinc and silver, (8) prices for and availability of fuel oil, electricity, parts and equipment and other key supplies remaining consistent with current levels, (9) production forecasts meeting expectations, (10) the accuracy of the Company's current mineral resource and reserve estimates, (11) labor and materials costs increasing on a basis consistent with the Company's current expectations, (12) matters related to the ongoing dispute with the National Mining Agency in Colombia, and (13) general marketing, political, business and economic conditions.

Forward-looking statements may be affected by known and unknown risks, uncertainties and other factors that may cause Atico's actual results, performance or achievements to be materially different from any of its future results, performance or achievements expressed or implied by forward-looking statements. All forward-looking statements herein are qualified by this cautionary statement. Accordingly, readers should not place undue reliance on forward-looking statements. The Company undertakes no obligation to update publicly or otherwise any forward-looking statements, whether as a result of new information or future events or otherwise, except as may be required by law. If Atico does update one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those or other forward-looking statements, unless required by law.
