The exercise or conversion price and the number of Common Shares issuable under any of the Company's outstanding convertible securities will be proportionately adjusted upon the Share Consolidation.

The Company has applied for new ISIN and CUSIP numbers in connection with the Share Consolidation. The new ISIN and CUSIP will be announced once assigned.

Shareholders of record as at the Effective Date will receive a letter of transmittal providing instructions for the exchange of their Common Shares as soon as practicable following the Effective Date.

The Company believes that the Share Consolidation will make the Company more attractive to financing opportunities, and will allow for the restructuring and settlement of certain existing liabilities. Completion of the Share Consolidation remains subject to completion of appropriate regulatory filings with the CSE.
