

Canadian Critical Minerals Inc. Announces Second Tranche Closing of LIFE Offering

30.12.2025 | [Newsfile](#)

[Canadian Critical Minerals Inc.](#) (TSXV: CCMI) (OTCQB: RIINF) ("CCMI" or the "Company") is pleased to announce it has closed the second and final tranche of its previously announced private placement for proceeds of \$162,785 through the issuance of 4,650,999 units of the Company (each, a "Unit") at a price of \$0.035 per Unit (the "Offering"). Together with the first tranche, the Company issued a total of 21,475,285 units for gross proceeds of \$751,635.

Each Unit is comprised of one common share of the Company (a "Common Share") and one common share purchase warrant of the Company (a "Warrant"), with each Warrant exercisable into one Common Share at a price of \$0.05 for a period of five (5) years.

The Offering remains subject to the final approval of the TSX Venture Exchange.

In accordance with National Instrument 45-106 - Prospectus Exemptions ("NI 45-106"), the Units were issued to Canadian purchasers pursuant to the listed issuer financing exemption under Part 5A of NI 45-106, as amended by Coordinated Blanket Order 45-935 - Exemptions from Certain Conditions of the Listed Issuer Financing Exemption (the "Listed Issuer Financing Exemption"). The Common Shares and Warrants issued to purchasers resident in Canada are immediately freely tradeable in accordance with applicable Canadian securities laws.

There is an offering document related to the Offering and the use by the Company of the Listed Issuer Financing Exemption that can be accessed under the Company's profile on SEDAR+ at www.sedarplus.ca and on the Company's website at www.canadiancriticalmineralsinc.com.

In connection with the second tranche closing of the Offering, the Company paid finders fees of \$2,305 and 65,870 finders warrants with each finder warrant entitling the holder thereof to purchase one common share at a price of \$0.05 for a period of two years. The finder warrants and the underlying common shares are subject to a four month and one day hold period from the closing date of the Offering in accordance with applicable Canadian securities laws.

The Company intends to use the proceeds of the Offering to complete its application to restart the Bull River Mine project near Cranbrook, BC. and for working capital.

Cautionary Statement Regarding Forward-Looking Information

This news release contains certain "forward-looking information" within the meaning of Canadian securities legislation, including, but not limited to, statements regarding the Company's plans with respect to the Company's projects and the timing related thereto, the merits of the Company's projects, the Company's objectives, plans and strategies, the use of proceeds of the Offering and other matters. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are statements that are not historical facts; they are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "aims," "potential," "goal," "objective," "strategy", "prospective," and similar expressions, or that events or conditions "will," "would," "may," "can," "could" or "should" occur, or are those statements, which, by their nature, refer to future events. The Company cautions that forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made and they involve a number of risks and uncertainties. Consequently, there can be no assurances that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Except to the extent required by applicable securities laws and the policies of the TSX Venture Exchange, the Company undertakes no obligation to update these forward-looking statements if management's beliefs, estimates or opinions, or other factors, should change. Factors that could cause future results to differ materially from those anticipated in these forward-looking statements include the risk of accidents and other risks associated with mineral exploration operations, the risk that the Company will encounter unanticipated geological factors, or the possibility that the Company may not be able to secure permitting and other agency or governmental clearances, necessary to carry out the Company's exploration plans, risks of political uncertainties and regulatory or legal changes in the jurisdictions where the Company carries on its business that might interfere with the Company's business and prospects. The reader is urged to refer to the Company's reports, publicly available through the Canadian Securities Administrators' System for Electronic Data Analysis and Retrieval + (SEDAR+) at www.sedarplus.ca for a more complete discussion of such risk factors and their potential effects.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
